High School Students and Parents:

We regret to inform you that a staff member has tested positive for Covid-19. It is not believed that any students were in direct contact with the staff member and health department distancing protocols were maintained.

Should students start exhibiting COVID related symptoms, it is strongly recommended that parents contact their primary care physician or the local health department to have them tested immediately. Please continue to use the screening form each day before students come to school. If you answer "yes" to any of the questions, please remain home that day and contact the High School Office.

Should you have any questions or concerns, please do not hesitate to contact the High School Office at 918-658-3368.

Respectfully,

Dennis Shoup
High School Principal
