

**Wabaunsee High School  
Cross Country Results**

**At: Victoria (State)   Date: 10-31-2020   Weather: Nice**

**GIRLS:**

Rebekah Stuhlsatz	14 <sup>th</sup>	20:40
Sienna Jones	42 <sup>nd</sup>	22:11

**Comments:** Continuing our late season surge, Rebekah cut 1:06 from her Regional time and Sienna cut 58 seconds! The Victoria course is a new one for us, and probably not as challenging as most of the ones we've run on, but it was good to see these girls step up and cut as much time as they did. Rebekah's time is the best we've ever had for a girl at State and Sienna time is the 6<sup>th</sup> best we've ever had. We're going to miss the four seniors we're losing: Kimi Buchanan, Isaac Lira, Eli Mumpower, and Peter Stuhlsatz, but we've got a lot of returning runners. There is much potential to improve as a team from this year's results. On the girls side, the team we finished 5 points behind at Regional went on to place 5<sup>th</sup> in the State. The work we do between now and next fall can put us in the position to compete with the best teams in the State and I think we've got a group that's willing to put in the work!

Thank you to Coach Stott for her help again this year. She brings enthusiasm every day which helps our runners reach their potential. Next fall can't come soon enough!
