CAASPP TESTING
DATES

BROWNS SCHOOL NEWS

Hello,

The last trimester has begun and the month of April has arrived. This is an important time for our school as Browns students from third grade through eighth grade will be taking the CAASPP test. The testing window is open for giving the California Assessment of Student Performance and Progress from April 23rd through May 24th. These assessments are important on many levels.

With that in mind, let me offer some ways in which you as parents can support your child as they face this time of testing.

- Make sure they get adequate sleep the night before each test.
- Provide them with a healthy, well balanced breakfast on test days.
- Make sure they arrive on time or early on test days.
- Help them to think through anything they may need to prepare to do their best.

Between your support and the work of our staff of teachers and aides, I am confident that our Browns students will make us proud when the results are tallied.

PRESCHOOL and KINDER Registration Now Open. Limited Number of Spots Available.

We selected one child from each class as the Bobcat of the Month. These students are chosen for their performance in and out of the classroom. Many different factors are used to determine the students who are picked. Their prize is to have a pizza lunch with the principal on the following Friday. For the month of February and March the students were **Genesis Cortez, Miles Kim, Allison Honsinger, Brazilia Sagapolutele, Alejandra Villagomez, Fernanda Salinas, Jacob Simpson, Lily Parra, Jane Hall, Fatima Gonzalez, Lupita Gonzales, Karen Chiaratti, Carter Talley, Easton Stokes, Romeo, Martinez, Madelyn Harper, Kyra Bridge, Jason Parra, Arianna Hamilton, and Madison Priest.**

Parent Club News

The Parent's Club is looking for officers for next year. The nominations and voting will take place at the next meeting. April 10 is the next meeting. They have raised over \$10,000.00 this year and we hope that continues for years to come. Great job Parents Club.
