Blaine School Board Activity
Annual WSSDA Conference – November 18-20, 2020
Virtual Attendance Only

Four members of the Blaine School District Board of Directors, along with the Superintendent, Dr. Christopher Granger, will attend this year's Washington State School Directors Association (WSSDA) Conference. The annual conference, which was originally scheduled to take place in Spokane, will be conducted virtually only, due to the current pandemic emergency.

The WSSDA Conference is a networking and training opportunity for School Board members across the State of Washington. The members of the Blaine School Board in attendance will not be functioning in a formal meeting context, nor will they be taking formal action on issues pertinent to the Blaine School District.

For more information, contact the District Office at 360-332-5881.
