COMPLAINT PROCEDURE POLICY

PROCEDURES FOR HANDLING COMPLAINTS ABOUT SCHOOL PERSONNEL

It is the responsibility of the School Board and staff to maintain open attitudes and access to the public when concerns and/or complaints are expressed about school personnel. The most effective school-community relations will be achieved when parents, citizens, or others who have complaints are encouraged to meet directly with school personnel about whom a complaint is registered. Every level of administration is responsible for insuring that complaints are responded to efficiently and, as much as possible, in a manner which will not have a negative effect on the learning environment for students, the reputation of school employees, or school-community relations.

- COMPLAINTS CONCERNING SCHOOL PERSONNEL shall be registered through the
 administrative staff before going to the Board. At the school level, complaints should be made
 first to the staff member, then to the principal, and finally to the district administrator. Complaints
 concerning the superintendent should be made first to the superintendent, then to the president of
 the school board.
- 2. COMPLAINTS OF A GENERAL NATURE should be made to the district administrative offices. They may be made to the district administrator, or to a member of the district staff, depending upon the nature of the complaint. If, after discussing the complaint at a district level, the person or persons making the complaint still do not have satisfaction, the complaint should be presented to the Board.
- 3. No person shall present orally or discuss at any meeting of the Board complaints against individual employees of the Kickapoo Area School District until after such charges or complaints have been presented to the Board, in writing, and signed by the person or persons making the charge or complaint. The Board shall then have a reasonable opportunity to investigate the same and call for discussion.
- 4. Any written complaints regarding a teacher made to any member of the administration by any parent, student or other person shall be immediately called to the attention of the teacher. The teacher shall be given an opportunity to respond to and/or rebut such complaint, and shall have the right to be represented by legal counsel or the KTA at any meetings or conferences regarding such complaints.

RE: Wreath Sale Protocol 2020

Good evening,

In this ERA of Covid, here is the protocol I propose for the Senior class wreath sale this year.

- 1. If approved, I will be emailing the class of 2021 the wreath order form.
- 2. I will encourage the sellers to contact their customers via phone calls and arrange a "no contact" method of payment and delivery.
- 3. The day the wreaths arrive, I will ask 2 class officers to help unload and count order.
- 4. Those students who sold wreaths will sign up for a time slot to pick up the wreaths they've ordered.
- 5. The wreath sale has become tradition for this graduating class during this season. I hope to have this tradition continue for them in their last year of highschool to not only raise some money but also spread joy, while helping a small local business.
- 6. I will be home on Monday night and welcome a phone call to answer any questions.

Thank you!

Ridge & Valley Conference - Boys/Girls Basketball 2020-21

Masks:

- We should be prepared to play and coach with masks at every practice and every game this winter.

- If the mandate changes/is lifted by the state, the conference will reevaluate/discuss on the first Monday of each month this winter (suggestion).
 - Monday, December 7th
 - Monday, January 4th
 - Monday, February 1st
- Understand wearing masks goes beyond a conference specific protocol. The governor/state, CDC, the WIAA, local health officials, school boards, and local administration will all be influencing factors in whether or not masks will be required for the entirety of the season by all participants.
- Next step:
 - Find a higher quality, team mask
 - Condition/train with masks worn correctly to better prepare for competition

2020 Ridge & Valley Conference Wrestling Procedures

Purpose:

- Discuss rule/procedural changes due to COVID
- Create as many uniform, conference specific standards as possible
 - Goal: to know what to expect things to look and feel like at each conference game this season
- Demonstrate to administration and school boards that we can collaborate as a conference to ensure we are each doing our part to make this winter possible
- Hopefully feel more comfortable/confident with moving forward this winter

Masks:

- We should be prepared to coach with masks at **every practice** and **every meet** this winter, with a plan for the conference to reevaluate/discuss on the first Monday of each month this winter.

Spectators:

- 2 per participating student-athlete and coaching staff
- School specific rules may apply subject to change at any time!
- Every effort will be made by the host school to provide live stream options for family/community.

Match Day:

Format: Duals only schedule with MS wrestling the same schedule as the HS. This will allow for several matches the day of the dual, but still with only one other school. Contact tracing will be much simpler for wrestling as we will know exactly who wrestled who.

Specific scenarios that could lead to cancellations/rescheduled games

- A student-athlete on your team tests positive for COVID
 - For all who are within 6 feet for 15+ minutes
 - Likely will mean entire team
- Your team is exposed to a student-athlete from another school who tests positive for COVID within 2 days after playing (according to Crawford County Health Department)
 - For all who are within 6 feet for 15+ minutes
 - Likely will mean entire team

2020-21 Conference Championship:

- Make every effort to wrestle full conference season
 - Reschedule conference matches that are cancelled/suspended due to COVID
 - 7 Week Dual only WR schedule

Proposed Elementary Gym Set-up as this gym is always crowded and the scoreboards are AT least 20 years old. This would also allow 2 fans per athlete during COVID-19. This also allows coaches to use the scoreboards during practice. Wireless controllers allow the coach to controll the scoreboard while moving around during practice.

Required Costs:

1) New Wireless Scoreboards and Controls (same brand as HS gym, quote attached). Current scoreboards are very old and no longer servicable.

Optionals Costs:

- A decent score table Better Chairs
 A decent score
