November 5, 2020

Dear United States Veteran,

We want to begin by thanking you for your service to our country. In the past it has been an honor for ALAH HS to host a luncheon and program in your honor. We want our students to know the importance of the service each of you gave. Of course this year must look a little different than our traditional activities. This year we have been planning a day of service to honor each of you along with partnering with the VA Hospital in Danville to serve them. Our day will include packing care packages for our currently serving military men and women along with our local veterans, writing letters, and working on items for the VA (blankets, wreaths, fixing their bicycles, making games for them, care packages, etc.)

We want to invite you to join us in the following ways ...

- Watch our videos on FACEBOOK Live throughout the day. We will post the colors, share music that our students are recording, and other activities. We will close the afternoon with Ben Mattheny playing Taps.
- Join us for a drive through parade. Our faculty and students will line our campus as our Veterans and their families drive through. (Line up in the pool parking lot behind the high school at 12:30.)
- If you share your email address with us, we will email you pictures and updates throughout the day as well. Just email me at seegmillers@cusd305.org to get on our list for the day.

We honor your service and remember those who are still serving today.

Steffanie Seegmiller, Principal
Arthur Lovington Atwood Hammond High School
