

BRES WILDCAT NEWS

Kindness

Responsibility

Self-Control

It sure does take a village! And there is no time like the present to come together as a community to help keep our schools open and our staff and students healthy and safe!

As we see rising COVID19 cases in our local area, it's time to be vigilant! It's time to wear those masks, keep our physical distance, and do everything we can to prevent our school from shutting down. Every single day at BRES, we are diligent by following the rules and doing our part to keep this virus at bay. **We cannot do it alone!** We are in this together and I ask that you help us by holding on tight and following the executive orders that have been put in place by our Governor. The new [Executive Orders](#) shared this week, do not change what we are currently doing in our schools as we continue to follow the DOE's [Reopening Requirements](#). **Reminder that part of the reopening plan includes daily health screenings.** We have technology to assist us with that task. You should be receiving a message every day, for each of your children. The health screening tool, Ruvna, helps us identify who we need to follow up with and tracks symptoms across our school. Nurse Kate gets to spend more time on health and safety and less time on tracking the screening info down for people who didn't complete it.

As a friendly reminder please ensure that if you are traveling outside of an approved state that you are quarantining for 14 days upon your return and/or until you have a negative COVID19 test.

Have you completed your daily health screening?

Hi there,

You have new health screening(s) available from AOS98 Rocky Channels School District for **Tuesday, October 27th**.

Please complete the screenings using the link below.

[Complete Screenings](#)

Warmly,
AOS98 Rocky Channels School District

To help keep our BRES school community healthy we are asking all students to have a completed health screening before they come to school. If you are not receiving these screenings or are having trouble filling them out, please contact Kate Schwehm, the school nurse. 633-9814

Thank-you for doing your part to keep our school community healthy and in school.

BRES Picture Re-Take Day Thursday, November 12th

For those who missed the original picture day and wish to have their pictures taken there are envelopes in the main office.

If you have already had your pictures taken and want to have them retaken please bring your original pictures back on this day.
