

Allendale-Fairfax  
Middle School  
2020 - 2021 School Year

Hello Parents,

It's that time of year again! All Title I schools are required to hold an Annual Title I meeting at the beginning of each school year to inform parents/guardians about Title I programming, and to share how parents/guardians can become involved and participate in the Title I program.

Title I is the federal funding that our school receives for the following:

1. To improve education for school-wide programs in all core subjects
2. To provide students a well-rounded education as defined by the school's plan
3. To support advanced learning opportunities for students who are struggling academically.

Please join us for a virtual meeting on Wednesday, November 11, 2020 3:00 pm - 3:45 pm.
