Charlotte Smalley	Clerk
Markesha Hill	Vice-Clerk
Kurt Bashford	Member
Chris Tanner	Superintendent

Ironmen Nation,

We hope you have had a relaxing weekend. We have had another COVID-19 situation at the Nowata High School, and after careful examination we have made the decision to return to distance learning at the high school *only* until Monday, November 30th. Please see additional information below:

- High school students will pivot to distance learning tomorrow November 9th.
- Elementary and middle schools will continue in-person learning tomorrow November 9th. Busses will run normally for elementary and middle school students.
- Middle school basketball tournament will continue as scheduled.

If you are experiencing any COVID-19 symptoms, we encourage you to get tested and isolate yourself until you receive your results. Because safety continues to be our number one priority, we ask that you contact school personnel if you are testing, waiting on test result or experiencing symptoms for contact tracing purposes.

Should you have any questions or concerns, please do not hesitate to reach out to me at ctanner@npsok.org or 918-273-3425.

Sincerely,
Chris Tanner, Superintendent
Nowata Public Schools
