FOREWORD

The Dollarway School District strives to provide a safe and orderly environment that supports all aspects of learning through communication and high expectations of appropriate behavior. The critical component of effective, positive discipline is that it protects the time needed for meaningful instruction for all students.

The 2015–2016 Dollarway School District Parent/Student handbook for Student Conduct and Discipline is designed for students, parents, principals, and teachers. Its main purpose is to set clear standards and limits for behavior established by state law and the Dollarway School District’s Board of Education. It also describes the administrative actions taken when standards of behavior are violated. The Handbook is annually reviewed and revised as needed by parents, students, and district personnel.

We sincerely hope that all who use this Handbook do so realizing the importance of the student’s responsibility for his own acceptable behavior and the protection of the student’s personal rights to due process and fair treatment.

NOTE: Your application of “capacity” should be consistent in order to avoid potential exposure to liability for unlawful discrimination against disabled persons. The District may reject a non resident’s application for admission if its acceptance would necessitate the addition of staff or classroom, exceed the capacity of a program, class, grade level, or school building, or cause the District to provide educational services not currently provided in the affected school. The District shall reject application that would cause it to be out of compliance with applicable laws and regulations regarding desegregation. Letters of rejection shall state the reason(s) for the rejection.

E. The Board of Directors reserves the right, after a hearing before the Board, not to allow any person who is currently under expulsion from another district to enroll in a district school.
F. Students admitted under this policy shall be entitled to continued enrollment until completing his/her secondary education or are no longer eligible for enrollment in the District’s schools. Continued enrollment is conditioned upon the student meeting applicable statutory and District policy requirements and the renewal procedure for succeeding school years is followed. Any student admitted to the District under the provisions of this policy who chooses to return to his/her resident district during the school year voids the transfer and must reapply for a school choice admission if desiring to return to this District in the future.

G. The District may annually declare an exemption from participation in School Choices as set forth in Act 1227 of 2013. In such an instance the district will not accept or release students under the School Choice Act.

ATTENDANCE (2.0)
Absences (2.1) – Secondary
The daily attendance of all students enrolled in the Dollarway School District is very important. It is the responsibility of the parents to assure regular attendance of their children at school. Parents will be notified by letter after the fourth, eighth, and tenth absences.
Policy
All absences are categorized as “excused” or “unexcused”. The child must bring a signed, dated not or phone call from the parent/professional to school the day he/she returns to school. Absences for school related activities are not counted in the maximum number of days a student can miss. Make up work will be allowed for excused absences (refer to the school’s board approve handbook for procedures). Absences will be excused for the following reasons.

A. Personal injury, illness, or hospitalization of the student;
B. Illness or death of a member of the immediate family;
C. Observance of religious holidays;
D. Other professional appointment (examples: doctor, dentist, psychological counselors, court appearances, and legal appointments). These may be considered partial day, not all day absences. Doctors and other professionals are asked to specify what time the appointment was, what time the student left the office, and whether the student was able or unable to return to school that day;
E. Non school educational activities authorized in advance by the building principal or principal designee;
F. Extenuating circumstances approved in advance by the principal or his/her designee. The parent must notify the building administrator or his/her designee;
G. Returning with a signed note does not necessarily make the absence an excused absence;
H. All notes should have a working contact number from which a parent or guardian can be reached by the school for verification (if needed);
I. Only five notes from parents will be accepted;
J. Truancy is always an unexcused absence;
K. All students must be signed out by a parent or guardian;
L. Students who attend in school suspension shall not be counted absent for those days. Make up work for unexcused absences will be allowed for academic purposes only.

All other absences are unexcused. Make up work for unexcused absences will not be allowed. All absences (except school related activities) are counted toward the maximum number allowed. Absences from ninth grade up to the twelfth grade are counted per class period.

Additional Absences
Additional absences that are not charged against the allowable number of absences are those where the student brings a written statement upon his/her return to school from the parent, guardian, person in loco parentis, or appropriate government agency stating such reason:

● To visit his/her parent or legal guardian who is a member of the military and has been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting
● For purposes pre approved by the school administration such as to obey a subpoena or attend an appointment with a government agency.
● Due to student having been sent home from school due to illness.
Documentation
Notes from parents, guardians, or persons in loco parentis will be accepted as excuses for up to five (5) days (K – 6) per semester and five per class (7 – 12) per semester. All absences after five (5) per semester must be explained by a signed and dated note from a professional agency (doctors, dentists, court) or it will be unexcused.

Professional notes must be presented to the attendance office within 72 hours after the last day of the absences. These notes will not be accepted at the end of the year for previously missed days. Extenuating circumstances must be discussed with the principal or his/her designee.

Notification – 9th- 12th Grades
When a student reaches his/her fourth, eighth and tenth absence, parents, guardians or persons in loco parentis shall be notified by mail. After the eighth absences, parents will receive a letter explaining that if the student continues to miss school, he/she will be turned over to the prosecuting attorney. If the absences continue, the Dollarway School District will file a FINS (Family In Need of Services) petition.

The student and parent/guardian shall be subject to civil penalty in such an amount as a court of competent jurisdiction presiding in the presence of a representative of the school district may prescribe, but not to exceed five hundred dollars ($500) plus court cost, attorney/public defender fees, and any other reasonable fees assessed by the court. Excessive absenteeism may result in the loss of credit, denial of promotion, and denial of graduation. The tenth consecutive or fifteenth absence in a semester will result in the student being dropped from enrollment at the Dollarway High School. In order to re-enter the next grading period, the parent and student will be required to sign an attendance contract which will be placed on file in the attendance office and with the Truancy Designee.

Excessive Absences – 7th - 12th Grade
Accumulated absences to ten (10) excused or unexcused in one class during a semester may result in loss of credit and/or referral to the prosecuting attorney for civil penalties. An extended absence from school will be at least one week. The parents must contact the principal’s office in order to make arrangements for the work missed during this time. The principal’s office will be responsible for gathering the work and make it available to the parents at a scheduled time. (Refer to the Documentation paragraph)

Re Admit to Class
Following an absence, a student must pick up an admit slip once he/she returns to school in order to get back in class. He/she may pick up an admit slip between 7:30 – 8:00 a.m. in the Attendance Office. Although absences are checked by phone, the student must present a written statement from his/her parent verifying his/her absence before receiving an excused admit slip to class.

Failure to pick up the Admit Slip
Failure to pick up the admit slip on time will result in the student not having one. Students will not be allowed to leave class to obtain an admit slip and the absence will be recorded by the teacher as an unexcused absence. He/she will receive the same punishment if he/she loses the admit slip during the day. He/she will take the admit slip to all teachers for them to sign. The student’s 8th period teacher will keep the slip and return it to the Attendance Office.

Loss of Credit/Denial of Promotion
Parents and students have the right to appeal credit loss and/or potential loss of promotion to the Retention/Promotion Committee in the middle school or high school. The appeal process may be continued through the chain of command as stated in DSD Board Policy.
Chronic or Extended Illnesses
Students who repeatedly miss school due to a chronic medical condition, such as ulcers, migraine headaches, or allergies, must provide a signed, dated letter from a physician stating the diagnosis of the condition. The letter must also include a statement from the doctor saying the medical condition may lead to absenteeism. The letter must be dated to cover absences in the current school year. (Refer to make up work procedures)

Suspension (Out of school suspension OSS) Sent Home and Expulsions
Students who are suspended from school will not be able to make up work and will receive a zero. Students who are expelled from school will forfeit all credits for the duration of the expulsion and their permanent record will be marked as “NC” (no credit).

Excused Absences
Excused absences are those where the student was on official school business or when the absence was due to one of the following reasons and the student bring a written statement upon his/her return to school from the parent or legal guardian stating such reason:

1. The student’s illness or when attendance could jeopardize the health of other students. A maximum of six (6) such days are allowed per semester unless the condition(s) causing such absences is of a chronic or recurring nature, is medically documented, and approved by the principal.

2. Death or serious illness in their immediate family;

3. Observance of recognized holidays observed by their faith;

4. Attendance at an appointment with a government agency;

5. Attendance at a medical appointment;

6. Exceptional circumstances with prior approval of the principal, or

7. Participation in an FFA, FHA, or 4 H sanctioned activity;

8. Participation in the election poll workers program for high school students.

Additional excused absences shall be granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.

It is the Arkansas General Assembly’s intention that students having excessive excused absences be given assistance in obtaining credit for their courses. Excessive absences may, however, be the basis for the denial of course credit, promotion, or graduation.

Unexcused Absences
Absences not defined above or not having an accompanying note from the parent or legal guardian shall be considered as unexcused absences. Students with 10 unexcused absences in a course within a semester shall not receive credit for that course. Excessive absences shall not be a reason for disciplinary action against a student.
When a student has 4 unexcused absences, his/her parents, guardians, or persons in loco parentis shall be notified. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day.

Whenever a student exceeds 10 unexcused absences in a semester, the District shall notify the prosecuting authority and the parent, guardian, or persons in loco parentis shall be subject to a civil penalty as prescribed by law.

Students who attend in school suspension shall not be counted absent for those days.

Days missed due to expulsion shall be unexcused absences.

The District shall notify the Department of Finance and Administration whenever a student fourteen (14) years of age or older is no longer in school. The Department of Finance and Administration is required to suspend the former student’s operator’s license unless he/she meets certain requirements specified in the code.

Applicants for an instruction permit or for a driver’s license by persons less than eighteen (18) years old on October 1 of any year are required to provide proof of a high school diploma or enrollment and regular attendance in an adult education program or a public, private, or parochial school prior to receiving an instruction permit. To be issued a driver’s license, a student enrolled in school shall present proof of a “C” average for the previous semester or similar equivalent grading period for which grades are reported as part of the student’s permanent record.

Students who serve as pages for a member of the General Assembly shall be considered on instructional assignment and shall not be considered absent from school for the day the student is serving as a page.

APPOINTMENTS AND EARLY CHECKOUT (2.2)
We encourage you to make health related appointments after school hours. The success of the students is dependent on them being in class. We discourage any early checkout if possible. Excessive early checkouts may result in your child being RETAINED or LOSING CREDIT IN THE CLASS.

ATTENDANCE REQUIREMENTS (Grades 9 12) (2.3)
A. Students in grades nine through twelve (9 12) are required to schedule and attend at least 360 minutes of regularly scheduled class time daily. Part of this requirement may be met by students taking post secondary courses. Eligible students’ enrollment and attendance at the post secondary institution shall count toward the required weekly time of school attendance.

Such classes may include special interest, fine arts, technical, scholastic, intramural, and interscholastic opportunities.

D. **Course Enrollment Outside of District**– Enrollment and attendance in vocational educational training courses, college courses, school work programs, and other department sanctioned educational programs may be used to satisfy the student attendance requirement even if the programs are not located at the public schools. Attendance in such alternative programs must be pre-approved by the school’s administration.

E. The District shall strive to assign students who have been dropped from a course of study or removed from a school work program job during the semester into another placement or course of study. In the instance where a subsequent placement is unable to be made, the District may grant a waiver for the student for the duration of the semester in which the placement is unable to be made.

F. In rare instances students may be granted waivers from the mandatory attendance requirement if they would experience proven financial hardships if required to attend a full day of school. For the purpose of this policy, proven financial hardship is defined as harm or suffering caused by a student’s inability to obtain or provide basic life necessities of food, clothing, and shelter for the student or the student’s family. The superintendent shall have the authority to grant such a waiver on a case-by-case basis only when convinced the student meets the definition of proven financial hardship.

TARDINESS (2.8) (Middle School)

1. Promptness is an important character trait that District staff are encouraged to model and help develop in our schools’ students. At the same time, promptness is the responsibility of each student. Students who are late to class show a disregard for both the teacher and their classmates which compromises potential student achievement. Tardiness to class is disruptive and repeated tardiness cannot be tolerated. If a student misses more than fifteen minutes in any class period, it is considered an absence.

**CONFERENCES AND VISITS (8.0)**

The board strongly believes that the purpose of school is for learning. Social visitors, generally, disrupt the classroom and interfere with learning that should be taking place. Therefore, visiting with students at school is strongly discouraged, unless approved by the principal and scheduled in advance. Any visitation to the classroom shall be allowed only with the permission of the school principal and all visitors must first register at the office.

A. Parents/guardians wishing to visit their children during the school days shall register first with the office. Student visitors in the classroom can be disruptive to the educational process. Student visitation is strongly discouraged. Any visitation to the classroom shall be allowed only with the permission of the school principal.
B. If there is any question concerning the legal custody of the student, the parent shall present documentation to the principal of his/her designee establishing the parent’s custody of the student or legal right of visitation.

C. It shall be the responsibility of the custodial parent to make any visitation restrictions regarding the non-custodial parent known to the principal by presenting a copy of a file-marked court order. Estranged parents may visit their child during school hours with the consent of the custodial parent.

CONTACT WITH STUDENTS WHILE AT SCHOOL (9.0)

CONTACT BY PARENTS
Parents wishing to speak to their children during the school day shall register first with the office.

CONTACT BY NON-CUSTODIAL PARENTS
If there is any question concerning the legal custody of the student, the custodial parent shall present documentation to the principal or his/her designee establishing the parent’s custody of the student. It shall be the responsibility of the custodial parent to make any court ordered “no contact” or other restrictions regarding the non-custodial parent known to the principal by presenting a copy of a file-marked court order. Without such a court order on file, the school will release the child to either of his/her parents. Non-custodial parents who file with the principal a date-stamped copy of current court orders granting visitation may eat lunch, volunteer in their child’s classroom, or otherwise have contact with their child during school hours with the prior approval of the school’s principal. Such contact is subject to the limitations outline in Policy 4.16, Policy 6.5 and any other policies that may apply.

Unless prior arrangements have been made with the school’s principal, Arkansas law provides that the transfer of a child between his/her custodial parent and non-custodial parent, when both parents are present, shall not take place on the school’s property on normal school days during normal hours of school operation.

CONTACT BY LAW ENFORCEMENT, SOCIAL SERVICES, OR BY COURT ORDER
State Law requires that Department of Human Services employees, local law enforcement, or agent of the Crimes against Children Division of Arkansas State Police, may interview students without a court order for the purpose of investigating suspected child abuse. In instances where the interviewers deem it necessary, they may exercise a “72-hour hold” without first obtaining a court order. Other questioning of students by non-school personnel shall be granted only with a court order directing such questioning, with permission of the parents of a student (or the student if above eighteen (18) years of age, or in response to a subpoena or arrest warrant.

If the District makes a report to any law enforcement agency concerning student misconduct or if access to a student is granted to a law enforcement agency due to a court order, the principal or the principal’s designee shall make a good faith effort to contact the student’s parent, legal guardian, or other person having lawful control by court order, or person acting in loco parentis identified on student enrollment forms.

In instances other than those related to cases of suspected child abuse, principals must release a student to either a police officer who presents a subpoena for the student, or a warrant for arrest, or to an agent of state social services or an agent of a court with jurisdiction over a child with a court order signed by a judge.

Upon release of the student, the principal or designee shall give the student’s parent, legal guardian, or other person having lawful control by court order, or person acting in loco parentis notice that the student has been taken into custody by law enforcement personnel or a state’s social services agency. If the principal or designee is unable to reach the parent, he or she shall make a reasonable, good faith effort to get a message to the parent to call the principal or designee, and leave both a day and an after hour telephone number.

Bring Your Own Device (BYOD)-District Policy

Bring Your Own Device (BYOD) is a policy that allows students to bring and use their own personal electronic devices at school. Devices include but may not be limited to: smartphones (such as iPhone or Android), tablets and eReaders (such as iPad or Kindle), laptops, and netbooks. With teacher approval, students may use their devices in the classroom to access and save information from the Internet, collaborate with other learners, and utilize productivity tools available to them. It is not required that student bring a device to school, but this option may be available.

Guidelines
Devices may not be used to disrupt the educational environment or violate the rights of others. Using the device to cheat, violate school conduct rules, harass/bully staff or students, or using the device for unlawful purposes will
subject the student to disciplinary action. Serious offenses will be reported to the local authorities. Recording the voice or image of another in any way that disrupts the educational environment, invades the privacy of others, or is made without the consent of the individuals being recorded is prohibited. Devices recording the voice or image of another to take, transfer, or share any audio, video, or photographs that reveal parts of the body (ordinarily covered by clothing) is prohibited. The possession of pornographic images or video on any electronic device is prohibited.

Responsibility for Devices
• The electronic devices that students bring to school are their sole responsibility.
• The campus or district assumes no responsibility for personal devices if they are lost, loaned, damaged, or stolen. Only limited resources will be spent to locate lost or stolen items.
• Personal devices may be subject to investigation in accordance with District Policy.
• Students are expected to keep their devices secure at all times and not loan to others.
• Students are expected to exhibit digital responsibility and follow the Responsibility Use Guidelines (RUG) while using technology.
• Use of technology is a privilege and not a right.

Appropriate Student Use
As with any tool, there are appropriate places and times for the use of devices. Each building will determine the levels and permissible situations for use and will communicate these to the students. Campus administrators and teachers have the right to prohibit use of devices at certain times or during designated activities (i.e. campus presentation, theatrical performance, or guest speaker) that occur during the school day. The use of such devices at school sponsored functions outside the regular school day is permitted to the extent and within the limitations allowed by the event or activity the student is attending.

When student cell phones or other electronic communication device use violates the campus rules devices may be confiscated or banned from the campus. Confiscated cell phones and other electronic communication devices may be picked up at the school’s administration office by the student’s parents or guardians.

IN–SCHOOL SUSPENSION (ISS) (11.3)
ISS is an integral part of the progressive discipline for Dollarway High School. Students in ISS are suspended but have been given the opportunity to stay in this alternative learning setting in order to keep up with their class work. Further violations of school rules while in this setting will warrant out of school suspension and when the student returns to school he/she will have to complete the remainder of his/her ISS time. Students assigned to ISS will be required to bring all classroom material and will remain in the In School classroom until they have completed the length of the assignment to ISS.

Students assigned to ISS may be assigned for a period of ten (10) days. Assigned students must have a doctor’s excuse or verifiable family emergency for any absence or tardy and will be required to make up the time missed. Students may be removed from ISS for violating the provisions of the ISS rules.

Students assigned to ISS may not attend school sponsored events until the school day after they are released from ISS. Students who are involved in an extra curricular activity may not be allowed to attend practices, games or performances until they have served their In School Suspension term. Again, the principal or athletic director shall have the ability to grant permission on an individual basis.

SATURDAY SCHOOL (11.4)
The main purpose of this school shall be to help students remain in school instead of being suspended; However, Saturday School is not available to students who are involved with the following offenses: drugs, alcohol, fighting, employee abuse and other serious offenses.

Saturday Alternative School will be held at Robert F. Morehead Middle School and will be scheduled on an “as needed” basis. Failure to attend Saturday School without prior approval will result in a two (2) day suspension for the first offense and subsequent offense will result in additional punishments.
The rules are as follows:

1. Saturday School begins at 8:00a.m. and ends at 12:00p.m. Doors will be locked at 8:00a.m. and no one will be permitted to enter late.

2. At least one parent/guardian must bring the student to Saturday School and check him/her into class and agree to be available in case of illness or misbehavior by the student during the hours of Saturday School.

3. There must be an emergency number left with the supervisor before the parent leaves. Arrangements must be made to remove the student from Saturday School promptly at 12:00 dismissal. Failure to follow these guidelines could result in loss of Saturday School as a disciplinary option.

4. Upon checking in, each student must have at least one (1) library/reading book, two (2) textbooks, paper and pencil or pen. No magazines or newspapers will be allowed.

5. Dress code must be followed according to student handbook.

6. Productive and meaningful academic appropriate assignments are expected throughout each session. Head on desk or sleeping will not be tolerated; students will be sent home if this occurs.

7. The students will be given one restroom break after the first two hours. Other than this break, students will be required to study and work as directed by the supervisor for the four (4) hour period.

8. All classroom/school rules and regulations will be followed during the Saturday Alternative School.

9. Verifiable physician statements that the student was not able to attend Saturday School will result in reassignment to the next Saturday School.

10. If it is known that a student cannot attend Saturday School on the assigned date, the parent shall contact the administration before the end of the school day on the Thursday prior to the Saturday School assignment. At that point the administration may delay the assignment due to genuine and verifiable conflicts.

11. Any absence from Saturday School, due to illness or other unavoidable circumstances, must be reported to the office (by the parent/guardian) before 8:00a.m. on the first school day following the assigned Saturday School. These will be evaluated by the administration on an individual basis, as to whether the absences will be made up at the next Saturday School or the student be suspended.

Violation of the above guidelines may result in the student being suspended for a minimum of two (2) days. If a student is dismissed from Saturday School, the supervisor will attempt to notify the parents/guardian as soon as possible to remove the student from the campus. Notification will be sent to parents/guardians on each Saturday School assignment.

Such notice shall be handed to the parent(s) or legal guardian(s) or mailed to the last address reflected in the records of the school district.

E. Generally, the notice and hearing should precede the student’s removal from school, but if prior notice and hearing are not feasible, as where the student’s presence endangers persons or property or threaten disruption of the academic process, thus justifying immediate removal from school, the necessary notice and hearing should follow as soon as practicable.

F. It is the parent’s or legal guardian’s responsibility to provide current contact information to the District which the school shall use to immediately notify the parent or legal guardian upon the suspension for a student. The notification shall be by one of the following means, listed in order of priority:

PLAGIARISM (29.0)
A. Plagiarism is a form of dishonesty that occurs when a person passes off someone else’s work as his or her own. Plagiarism is an act that will have serious academic consequences in high school and in college. Forms of plagiarism range from failing to cite an author for ideas incorporated into a student’s paper to cutting and pasting paragraphs from different websites to handing in a paper download from the internet. All are plagiarism. There are two main things all school students should know about plagiarism.
1. **Plagiarism in most instances is easy to identify and expose.** The very force that makes plagiarism easy and tempting to some students – the internet – makes its detection easy. Most teachers can locate the source of suspected plagiarism within a few minutes of searching the web. In this context, plagiarism is as much ignorance as it is dishonesty. Students should be aware that all teachers have access to online tools that are very effective resource for catching plagiarism. Further, the experienced teacher will always be able to distinguish the fluency of sentences and word choices of adolescent writers when compared to university students or professional writers. It is that latter that uncovers most plagiarism in high school.

2. **All parties to plagiarism are considered equally guilty.** If you share your coursework with another student and he or she plagiarizes it, you are considered as guilty as the one who has plagiarized your work, since you enabled the plagiarism to take place. Under no circumstances should a student make his or her coursework available to another student unless the teacher gives explicit permission for this to happen.

   B. Students who plagiarize are likely to be caught, and the consequences will be severe and will include anyone who enabled the plagiarism to take place. All student work produced for school will be subject to an electronic database to determine plagiarism.

   C. Consequences for plagiarizing work will range from redoing the project for half (1/2) credit for first time offenders to receiving no credit for second time offenders.

**PLEDGE OF ALLEGIANCE (30.0)**

A. The Pledge of Allegiance shall be recited during the school day. Those students choosing to participate shall do so by facing the flag with their right hand over their heart or in an appropriate salute if in uniform while reciting the Pledge. Students choosing not to participate shall be quiet while either standing or sitting at their desks.

B. Students shall not be compelled to recite the Pledge, but students who choose not to recite the Pledge shall not disrupt those students choosing to recite the Pledge.

C. Students choosing not to recite the Pledge shall not be subject to any comments, retaliation, or disciplinary action.

   Legal Reference: A.C.A. § 6 16 108.

**PRIVACY OF STUDENTS’ RECORDS/DIRECTORY INFORMATION (31.0)**

A. All students’ educational records are available for inspection and copying by the parents of any student who is under the age of eighteen (18). At the age of eighteen (18), the right to inspect and copy a student’s records transfers to the student. The District forwards education records, including disciplinary records, to schools that have requested them and in which the student seeks or intends to enroll.

B. The District shall receive written permission before releasing educational records to any agency or individual not authorized by law to receive and/or view the educational records with prior parental permission.

C. For purposes of this policy, the Dollarway School District does not distinguish between a custodial and non custodial parent with respect to gaining access to a student’s records. The fact of a person’s status as parent or guardian alone enables that parent or guardian to review and copy his child’s records.

D. If a court order exist which directs that a parent not have access to a student or his records, the other parent or guardian must present a file marked copy of such order to the building principal and the superintendent.

E. The school will make good faith efforts to at in accordance with such court order, but the failure to do so does not impose legal liability upon the school. The actual responsibility for enforcement of such court orders rests with the parents or guardians, their attorneys, and the court which issued the order.
F. A parent or guardian does not have the right to remove any material from a student’s records, but such parent or
guardian may challenge the accuracy of a record. The right to challenge the accuracy of a record does not
include the right to dispute a grade, which must be done only through the appropriate teacher and/or
administrator, the decision of which is final. A challenge to the accuracy of material contained in a student file
must be initiated with the building principal, with an appeal available to the superintendent or his designee. Any
appeal above that level will be subject to the procedure set out in federal law and/or regulation.

G. Unless the parent, guardian, or student (if above the age of eighteen), objects, directory information about a
student may be made available to the public, military recruiters, post secondary educational institutions,
prospective employers of those students, as well as school publications such as annual yearbooks, graduation
announcements, and District and school authorized websites.

H. Directory information includes, but is not limited to, a student’s name, address, telephone number, electronic mail
address, photograph, date and place of birth, classes in which he/she is enrolled, his/her placement on the honor
roll (or the receipt of other types of honors), as well as his/her participation in school clubs and extracurricular
activities among others. If the student participates in inherently public activities (for example basketball, football,
other interscholastic activities), the publication of such information will be beyond the control of the District.
A student’s name and photograph will only be displayed on the District or school’s web page(s) after receiving
the written permission from the student’s parent or student (if over the age of 18).

I. The form for objecting to making directory information available is located in the back of the student
handbook and must be completed and signed by the parent or age eligible student and filed with the building principal’s
office no later than ten (10) school days after the beginning of each school year or the date the student is enrolled.
Failure to file an objection by that time is considered a specific grant of permission.

minimum, evaluate each student annually in an effort to help each student who is not performing at grade level.

B. Parents or guardians shall be kept informed concerning the process of their student(s). Notice of a student’s
possible retention or required retaking of a course shall be included with the student’s grades sent home to each
parent/guardian or the student if 18 or older. Parent teacher conferences are encourage and may be held as
necessary in an effort to improve a student’s academic success.

C. Promotion or retention of students or their required retaking of a course shall be primarily based on the following
criteria. If there is doubt concerning the promotion or retention of a student or their required retaking of a course,
a conference between the parents/guardians, teacher(s), other pertinent personnel, and principal shall be held
before a final decision is made.

The conference shall be held at a time and place that best accommodates those participating in the conference.
The school shall document participation or non participation in required conferences. If the conference
attendees fail to agree concerning the student’s placement, the final decision to promote or retain shall rest with
the principal or his/her designee.
D. Students who do not score proficient or above on their grade level End of Course (EOC) Exams shall be required to participate in an individualized Academic Improvement Plan (AIP) which shall include remediation classes. Each AIP shall be developed by school personnel and the student’s parents and shall be designed to assist the student in attaining the expected achievement level.

The AIP shall also state the parent’s role as well as the consequences for the student’s failure to participate in the plan.

E. Students passing an EOC class but failing to pass the EOC exam after three attempts will not receive credit for that class. The superintendent, principals, and their designees have the right to inspect and search school property and equipment. They may also search students and their personal property in which the student has a reasonable expectation of privacy when there is reasonable suspicion to believe such student or property contains illegal items or other items in violation of Board policy or dangerous to the school community. D. A school official of the same sex shall conduct personal searches with an adult witness of the same sex present.

In instances where the interviewers deem it necessary, they may exercise a “72 hour hold” without first obtaining a court order. Other questioning of students by non-school personnel shall be granted only with a court order directing such questions, with permission of the parents of a student (or the student if above eighteen (18) years of age, or in response to a subpoena or arrest warrant.

TRANSPORTATION (49.0)

IT IS A PRIVILEGE TO RIDE A SCHOOL BUS, NOT A RIGHT!

A. The Dollarway School District will provide the best transportation program possible for the greatest number of students. Only those students residing in the school district who are attending school are eligible for bus transportation.

B. All students will be assigned a section of the bus in which to sit, beginning with the elementary school students, middle school, and high school students. The first row of the bus may be used to assign seats to students who require close supervision regardless of their school assignment.

C. General rules for riding the school bus:

2. Do not play on the roadways while waiting for the bus.

7. Enter and leave the bus quickly and orderly.

8. The school bus is an extension of the classroom, and all classroom rules of conduct apply.

9. While riding the bus
   a. All students are to follow the directions of the bus driver all times.
   b. Respect your driver. Act 814 of 1997 makes it unlawful for any person or persons to threaten, curse, or use abusive language to a school bus driver in the presence of students.
   c. Respect the rights of other riders—no harassment or intimidation of other riders will be tolerated.

*For offenses determined severe in nature, the District has the right to immediately deny a student bus privileges.*

NOTICE: Any student who needs to ride a different bus than his/her own for any specific reason or who does not ride a bus regularly and needs to ride a bus for any specific reason must have a written request signed one day in advance by the parents or guardian and approved by the Director of Transportation before he/she will be allowed on a bus other than his/her regular bus.

If you have any questions or concerns, please contact the transportation director at 870-534-7003.

**USE OF STUDENTS BY COMMUNITY ORGANIZATIONS (50.0)**

Community organizations wishing to use students in speeches, programs, etc. shall make their request known to the appropriate principal at least one week in advance.  **These students shall be excused only when the permission of the parent is given.** The principal shall ensure that a minimum of classes will be missed by the student.  The absence cannot be scheduled during any state mandated test.

**VIDEO SURVEILLANCE (51.0)**

A. The board has a responsibility to maintain discipline, protect the safety, security, and welfare of its students, staff and visitors while at the same time safeguarding district facilities, vehicles, and equipment.

B. As part of fulfilling this responsibility, the board authorizes the use of video/audio surveillance cameras in any District building, on District property, and in District buses and vehicles.  Video recorder placements shall be based on the presumption and belief that students, staff, and visitor have no reasonable expectation of privacy in areas or at events that occur in plain view of other students, staff, or visitors.

C. Signs shall be posted on campus building and in District vehicles to notify students, staff, and visitors that video cameras may be in use.  Parents and students shall also be notified through the student handbook that cameras may be in use in school buildings, on school grounds, and in school vehicles.  Students will be held responsible for any violations of school discipline rules caught by the cameras.

D. The District **MAY** retain copies of video recordings for a minimum of two (2) weeks before they are erased which may be accomplished by either deletion or copying over with a new recording.  Parents wishing to view a video recording need to be aware that it may not be available after the two week period unless the video contains evidence of misconduct.

E. Video recordings shall be considered student education records and any release or viewing of such records shall be in accordance with current law.  Videos containing evidence of a violation of student conduct rules and/or state or federal law shall be retained until the issue of the misconduct has been settled.

F. Student who vandalize, damage, disable, or render inoperable surveillance cameras and equipment shall be subject to appropriate disciplinary action and referred to appropriate law enforcement authorities.
NOTE: While 34 CFR 99.3 exempts records of law enforcement units (which for the purposes of this policy would include SORs, 34 CFR 99.8 (b) effectively negates that exemption in relation to this policy with the following language.

(2) Records of law enforcement unit does not mean...

i. Records created by a law enforcement unit for a law enforcement purpose that are maintained by a component of the educational agency or institution other than the law enforcement unit, or;

ii. Records created and maintained by a law enforcement unit exclusively for a non-law enforcement purpose, such as disciplinary action or proceeding conducted by the educational agency or institution.

The law goes on to say that education records retain their status as such even when in the possession of a law enforcement unit and thus remains subject to the restrictions on the release of education records contained in FERPA.

In short, you cannot deny access to the video recordings that may be used for student or staff disciplinary purposes by “hiding” them in your school’s law enforcement unit. Districts may select a time frame that works for the District, but you may not destroy any recordings as long as there is an outstanding request to inspect and review them (34 CFR 99.10). You must permit viewing of educational records within a “reasonable” period of time, but in no case may it be longer than 45 days (34 CFR 99.10).

The issues involved in parental rights to viewing videos are complicated but the Family Policy Compliance Office (FPCO) of the Family Educational and Right Act (FERPA) has recently simplified the matter. A video of, for example, a fight between two (or even several) students in which other students happen to have been incidentally included in the background of the video generates the following viewing conditions.

A. Either both of the students’ parents may view the video without first having to receive permission from the other student’s parent(s). None of the parents of the “incidental” students have to give their permission for the viewing of the video by the “involved” students’ parents.

B. If a student’s parent lives beyond a reasonable distance to physically come to view the video, the “District” may mail the video to a “receiving” school near the parent where the parent may view the video and then the receiving school will mail the video back to your District. The personnel at the receiving school should not view the video but merely arrange for the parent to view it by himself/herself.

C. The District is not obligated to give a copy of the video to the parent or their lawyer. If, however, you choose to give the parent a video, you are obligated to go through all of the hoops that are used to be case for simple viewing of the video.

D. Specifically, faces of the “involved” students other than that of the parent’s student must be redacted or else you will have to receive written permission from the parents of the other involved students.

E. Remember that the rights of the parents transfer to the students once the student turns eighteen (18).

F. Once the video has been viewed by the parties requesting to view it, the law does not require you to keep the video. Common sense would suggest, however, retaining the video at least until the disciplinary process is completed.
