**SUBJECT: CREDENTIAL OPTIONS FOR STUDENTS WITH DISABILITIES**

The Board of Education is committed to ensuring that students with disabilities are provided appropriate opportunities to earn a high school diploma in accordance with the provisions of Commissioner's Regulations Section 100.5. However, when necessary, the District may award high school individualized education program (IEP) diplomas to students with disabilities.

**High School Diplomas**

Students pursuing either a Regents or a local high school diploma must acquire a certain number of units of credit in specified courses and also meet subject sequence requirements. It is critical that students with disabilities be provided access to the required courses and testing programs needed for graduation with these awards.

**High School Individualized Program (IEP) Diplomas**

Each individualized education program (IEP) diploma awarded shall be accompanied by a written statement of assurance that the student named as its recipient shall continue to be eligible to attend school until the student has earned a high school diploma or until the end of the school year of such student's twenty-first birthday, whichever is earlier.

The Superintendent shall report to the State Education Department, within fifteen (15) days after the June graduation, the total number and the names of the students awarded IEP diplomas that school year.

**Regents Competency Test (RCT) Safety Net and 55-64 Passing Score Option for Students with Disabilities**

In October 2003, the Board of Regents approved an extension of the Regents Competency Test (RCT) "safety net" for students with disabilities who pursue a Regents or local high school diploma.

The following students qualify for the RCT safety net and the 55-64 passing score:

- a) Students with disabilities identified through a Committee on Special Education (CSE). Specific language regarding the availability of the safety net does not have to be indicated on the student's IEP.
- b) Students with disabilities identified through the Section 504 Multidisciplinary Team (MDT) if recommended and documented by the MDT on the student's Accommodation Plan.
- c) Students with disabilities declassified while in grades 8 through 12 if recommended and documented by the CSE on the student's IEP.

**SUBJECT: CREDENTIAL OPTIONS FOR STUDENTS WITH DISABILITIES (Cont'd.)**RCT Safety Net

In order to earn a high school Regents diploma, all students need to take and pass five (5) specific Regents examinations with a score of 65 or higher. Vocational and Educational Services for Individuals with Disabilities (VESID) has developed a chart on the "Diploma Requirements Based on June 2005 Board of Regents Action to Phase in the 65 Graduation Standard on Required Regents Exams" which is available at: <http://vesid.nysed.gov/specialed/publications/policy/chart-diploma.htm>

The safety net allows students with disabilities who fail a required Regents exam to instead meet the requirements for a local diploma by passing the RCT in that subject or the Department approved alternative. The safety net is available to all eligible students with disabilities entering grade 9 through the 2010-11 school year. The school may administer the RCT before or after the Regents examination, but in all cases the student must take the required Regents examination in order to earn the local diploma. The RCT exams will be available until the student graduates or reaches the age of twenty-one (21).

55-64 Passing Score

For students with disabilities who first enter grade 9 in September 2005 and thereafter, a score by the student of 55-64 may also be met by achieving a passing score on any Regents examination (English, Mathematics, Science, Global History and U.S. History) required for graduation; and, in such event, the District may issue a local diploma to such student. The 55-64 passing score must be made available to students with disabilities and is no longer a District option. This provision shall apply only to students with disabilities who are entitled to attend school pursuant to Education Law Sections 3202 or 4402(5).
