SUBJECT: CHAPERONES

The Board of Education recognizes that the use of chaperones for school sponsored events or activities can provide important support for the District. Chaperones, therefore, shall be volunteer adults whose responsibility it is to assist the advisor of the event in seeing to the safety and conduct of the students during the duration of the activity.

Chaperones shall be selected on the basis of their ability to assist with the supervision of students, and their ability to contribute to the group's activities.
