Approved Registration:

A completed and **approved** registration packet must be returned before your child enters our program. This includes the Registration Form, Release of Liability, Medical Information Form and a Schedule of Paid Payments. A registration form must be completed for each child participating, even those in the same family. We ask that you keep these information sheets current as it is very important that we have communication with you regarding your child's needs as they arise. All children must be registered with a registration packet and have all fees paid in full before they may attend the program.

**Children NOT registered with the After School Program WILL NOT be allowed to attend with a friend.* Please make other arrangements on those days.
