

MLA Guide

The Modern Language Association (MLA) is involved with the study and teaching of language and literature. MLA documentation style is used in many research papers. This is the required method of citation for Depew High School students.

1. Begin each entry flush with the left margin; indent additional lines five spaces.
2. Double-space between all lines on the Works-Cited page.
3. Single-space after each period in a Works-Cited entry.
