The institution must grant a degree or diploma. The student must be listed as a dependent when you enroll for coverage.

5- Failure to have the proper signatures and authorization will require GHI to return this transaction form to the employer group administrator.

Why We Ask You for Race/Ethnicity Information

National studies show that differences in access to health care occur along ethnic lines. In our effort to insure that everyone we serve receives appropriate care, GHI, along with other health insurers, is collecting data on ethnicity with the goal of improving access to care and outcomes for groups who often have poorer results. Information will only be used by our Medical Department to improve access to needed care and will not be available to any other staff. Answering this question is voluntary.
