1. Implement Standards-Based Literacy program in grades 7-12 which is centered around the concepts and strategies set forth in the State Initiated Comprehensive Literacy program. The program has been designed to address the goals and the specific needs of all groups with particular emphasis on the African-American and Economically Disadvantaged sub-groups. The curriculum will be research-based utilizing strategies with a history of proven success. Strategies will include the use of teachers trained to provide instruction to students	Chris Goodin, Principal	Start: 07/01/2014 End: 06/30/2015	<ul style="list-style-type: none"> <li>Administrative Staff</li> <li>District Staff</li> <li>Teachers</li> <li>Teaching Aids</li> </ul>	ACTION BUDGET: \$

Priority 4: Wellness

Supporting Data:

- Body Mass Index (BMI):** In 2013-2014 a total of 122 High School student's BMI was assessed and show 42.2% of the 64 male students were overweight or at risk of becoming obese and 39.7% of the 58 females measured were overweight or at risk. Over the three year period the average of male population overweight or at risk is 41.5% which is a slight increase and the female average is 46% which shows a decrease in BMI averages. In 2012-2013 a total of 127 High School students were tested, 64 male and 63 female. The BMI showed 43.8% male and 34.9% female were overweight or at risk. In 2011-2012 a total of 62 males were tested, 38.7% were overweight or at risk. Of the 56 female students tested, 51.8% were overweight or at risk.
- School Health Index:** The results of the SHI for the Barton High School for 2013-2014 are as follows: Module 1; 85% Module 2; 84%, Module 3; 86%, Module 4; 93%, Module 5; 94%, Module 6; 81%, Module 7; 86%, Module 8; 94%. The result of the SHI for Barton-Lexa High School for the 2012-2013 school year are as follows: Module 1, 57% Module 2, 71% Module 3, 59% Module 4, 65% Module 5, 77% Module 6, 83% Module 7, 81% and Module 8, 78%. The results for the SHI for Barton-Lexa High School for the 2011-2012 school year showed the percentage for Module 1 as 56%, Module 2 as 69%, Module 3 as 63%, Module 4 as 71%, Module 5 as 84%, Module 6 as 76%, Module 7 as 81%, and Module 8 as 78%. The three average results of the SHI

Evaluation for the Barton/Lexa High School from 2011-2014 showed the percentage as 66% for Module 1 (School Health and Safety Policies and Environment), 75% for Module 2 (Health Education), 69% for Module 3 (Physical Education and other Physical Activity Programs), 76% for Module 4 (Nutrition Services), 85% for Module 5 (School health Services), 80% for Module 6 (School Counseling), 83% for Module 7 (Health Promotion for Staff), and 83% for Module 8 (Family and Community Involvement).

3. **Attendance Rate:** According to the Arkansas School ESEA accountability report Barton High School's attendance rate is 93.62% with an average daily attendance of 409 students in 2013-2014. In 2012-13, the attendance rate was 92.96% with an average daily attendance of 397. In 2011, the attendance rate was 93.5% with an average attendance of 344.06.
4. **Barton-Lexa High School Graduation Rates:** According to the 2013-2014 Arkansas School ESEA accountability report Barton High School is an achieving school with a graduation rate of 93.44% with an overall increase of 8.44%. In 2012 the graduation rate was 84.72% exceeding our AMO of 77.08% for all students. In 2012 the graduation rate for our TAGG was 85.37% Exceeding our AMO of 67.48%. In 2011, the graduation rate was 79.6%.

Goal                      Students will improve their BMI and nutritional food choices.

Benchmark             Annually, the students enrolled in the school will improve their BMI and nutritional food choices by a minimum of one percent (1%) as reflected by the data in the annual assessment.
