

RELATIONS WITH EDUCATION ACCREDITATION AGENCIES

The District's schools will meet the requirements and standards for both basic approval and accreditation by the State Board of Education. Accreditation is required in order for the district to be eligible to receive general support foundation program funds.

In addition, each of the district's schools may seek the highest status of membership in the North Central Association of Colleges and Schools, by cooperating in the Association's evaluations of the district schools and considering the Association's recommendations.
