

Belt Public School Internet Release Form

Belt School would like to share student success with the community via its internet site at www.beltschool.com. Student work and student images are used on the Internet to promote student activities and to celebrate student accomplishments. There are potential dangers associated with posting personally identifiable information on a website because global access to the Internet means that the school district cannot control who may view the website.

The Belt School District will not post your child's image, voice, or work without prior consent from you as the parent or legal guardian. Please return this form to your child's teacher. **This permission will be applicable to any use of full name, picture, voice, work, quotes, or video taken while your child attends Belt Public School and will remain in effect until consent is withdrawn.** As a parent or legal guardian, you may withdraw your consent at any time by sending a written letter to the principal of Belt School.

I agree to release and hold harmless the School district, its Board of Education, agents, officers, contractors, volunteers, and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability that shall arise out of or by reason of, or be caused by the use of my child's picture, voice, work, quotes, video and/or full name on the Internet.
