

BOARD OPERATIONAL GOALS

The Board is responsible to the people for whose benefit the school district has been established. The Board is responsible for wise management of resources available to the district. The Board must establish those purposes, programs, and procedures that will respond to the district's immediate problems and long-range needs.

The Board functions as a legislative body to formulate and adopt policy, by selecting an executive officer to implement policy, and by evaluating the results. The Board must carry out its functions openly, while seeking the involvement and contributions of public, students, and staff in its processes.

Additionally, the Board commits itself to the following objectives:

1. To interpret the educational needs and aspirations of the community, and to meet them through the formulation of policies that stimulate the learner and the learning process;
2. To continually evaluate the district's educational goals and their implementation in the district schools;
3. To formulate and maintain a sound fiscal policy;
4. To provide the Superintendent with sufficient and adequate guidelines to effectively carry out the goals and objectives of the school district;
5. To maintain effective communication with the public served by the schools, and with staff and students in order to maintain awareness of attitudes, opinions, desires, and ideas.
