

## CHAPERONES FOR SCHOOL-RELATED ACTIVITIES

The Board acknowledges the need for chaperones to support staff during school-related activities. The Board defines a chaperone as a district employee, parent, or adult community member who volunteers to work on a temporary basis at a school site or off-campus event for the purpose of supporting the district in its education of students.

Chaperones will work with students under the immediate supervision and direction of a certified teacher or staff member, and are expected to comply with all rules and regulations set forth by the District.

The Board approves the use of staff, parental, or community members as school chaperones, and will consider any chaperone a volunteer of the District.

The Board authorizes the Superintendent to establish guidelines and procedures for chaperones for school-related activities.

At the discretion of the Superintendent, non-employee chaperones may be required to undergo a criminal history check.

All chaperones will abide by the school chaperone rules established by the Superintendent.
