High School Library

IV. Student Representative Report

V. Consent Agenda

- 1) **Staffing Report-** Ann Nottestad has provided the staffing report for your approval.
- 2) **Gifts and Donations-** Karen Stenjem and Mary Kay have provided this report.
- 3) **Approval of Minutes of Past Meeting(s)** - Mary Kay has provided these in your packet.
- 4) **Treasurer's Report and Monthly Vouchers-** Mark will answer or investigate any questions you may have on the vouchers.

VI. Year End Summary of Athletic Department- Mr. Klingbeil

Mr. Klingbeil, our athletic director, will be in attendance to give a report on the year in athletics; including participation, accomplishments and athletic code violations. If I get his report prior to the meeting I will send it by email.

VII. CHS Music Department Trip to New York City, June 2016

A six day trip to sight see, participate in a Broadway workshop, see several shows, visit Radio City Music Hall, NBC Studios, Metropolitan Museum of Art and More! This trip will be at the student's expense and will involve fundraising. They take this trip every four years. More information is included in your packet and Mr. Schneider will be available to answer any questions you may have.

VIII. 2015-16 Student Handbooks- First Read

The principals will highlight suggested changes to the school handbooks. A summary of the changes for each school are included in your packet.

IX. Finance Committee Report

A. Discussion and Possible Action on a Lot Line Adjustment for Parcel #111-0613-0633-000 (Simonson St.) in Exchange for Monetary Compensation from Adjacent Property Owner

The property owner to the south has made the following offer to purchase the most southerly area of land from the district at the Simonson Parcel we recently purchased from the village.

Mr. Nikolay, I believe the area we are negotiating is approximately 150ft x. 20ft or 3000 square ft We are prepared to offer 40 cents a square foot or \$1200.00 based upon the 3000 sq foot total., Jim.

I did confirm with the architect that the parking lot we are planning on putting in will not be adversely affected by this transfer of land. If approved by the board (and the special meeting vote last month did authorize the board to sell a portion of the lot) a lot line adjustment will be made when by Attorney Rumpf when he files our paperwork with the county.

B. Discussion and Possible Action to Enter into an Agreement with Cambridge Area Resource Team to (CART) for Social Worker Services

A copy of a proposed agreement with CART that would allow our Social Worker- Kristin Gowan to spend up to 8 hours a week in service to this community group. CART will pay the district \$10,000 annually for these services. CART has grown to the point where they need the guidance and support of a professional in the social service area and this will benefit the district in that Kristin will be providing services to many families that have children in the district. A copy of the proposed agreement is in your packet.

C. Update on Transportation Working Group Meeting #4

Included in your packet is a list of priorities and Final Recommendation that came out of the Transportation Working Group. The following is an update on the crossing beacon that will was a top priority with the committee:

- The beacon permit is in the hands of the Village and will be sent to DOT soon. Once received the turnaround is about 1 week and should be a formality as we have included the “approver” Deena Dramm in several meetings.
- The traffic beacon and pole will be order this week or next and could take up to 12 weeks although that is very unlikely because we only need one. This beacon will not have the cantilever arm like the one on USH 18; DOT feels they are unnecessary here because the width of the road is not like it is on USH 18 and they cost more.
- Mo will be meeting with another DOT employee to discuss placement and type of warning signs leading up to the flashing light beacon.
- When the flashing light beacon arrives Red Arrow will be contracted with (by the Village) to install the sign.
- The cost of the project is estimated to be \$ 22,837 and we will be seeking funding from the Foundation for the project.
- Next up: flashing lights to highlight speed zones around the schools- we will be working with DOT and the County on this project

X. Policy Committee Report

A. Action on Changes to Policy #374 Student Fund Raising

The proposed changes are these:

1. Funds raised by school affiliated groups are property of the school district
2. Defines two types of school fund raising groups; school affiliated and school related
3. Student grades or playing time should not be dependent on participation in fund raising
4. Set some guiding safety guidelines for door-to-door fundraising
5. Staff may fundraise at school only under very limited conditions
6. Students may not solicit staff during the school day
7. Great effort should be made to sell items of dollar value, and high % of funds stay in the district
8. Administration approved/denies fundraising requests
9. Boosters asked to report results of fundraisers to the district

XI. Curriculum Committee Report- Peg

A. Discussion and Possible Action on Purchase of English/Language Arts Curriculum at the Elementary School – Ready GEN

The committee will be discussing the purchase of a new ELA curriculum to implement at the elementary school in the 15-16 school year. Mr. Holt and elementary staff have been reviewing different reading programs over the last year and have settled on ReadyGEN. Mr. Holt, M. Scheider and Ms. Sullivan will be able to provide a great deal more information at the meeting.

B. Schedule Changes in the School for 15-16

We discussed a possible significant schedule change at the high school for 15-16 at the last board meeting. The changes at the MS and ES are very minor. The high school changes are summarized here and schedules are included in your packet.

CHS staff spent many months studying the effectiveness of our current RtI model (Homeroom period four days/week during split lunch). Given that half the staff and half the students were not available for good quality intervention, a new model needed to be developed. Also, our Flight Crew members were asked to do more with Homerooms than in the past. This put a strain on Mrs. Parker and Mrs. Fujara (who assisted in planning Flight Crew activities). Over the past two years, this Homeroom time turned from intervention to grade monitoring and Flight Crew activities. While both are fine opportunities for students, we were missing the intent of the Homeroom--intervention block time. The model below was studied by a CHS Committee of teachers. This group recommended a new schedule that involved an intervention block that all students and staff had access to. The full staff agreed with the committee. The intervention time was placed by the entire staff after several meetings to discuss pros/cons. This new structure will allow all students and staff access to intervention at least two to three days/week. One day/week Flight Crew members will continue to deliver instruction/activities. Early in the year we will dedicate additional time to Flight Crew activities but as the year moves on, focus more time on academic supports. This new schedule adds two (2) minutes to our day. The PBIS Committee will discuss PBIS incentives over the summer (i.e. dismissal of some students after Hour 8, update language regarding lunch and extended lunch, etc.).

CHS Proposed Building Hours 2015-2016

M,T,R,F

Hour 1:	7:45-8:30 (45)
Hour 2:	8:33-9:18 (45)
Hour 3:	9:21-10:06 (45)
Hour 4:	10:09-10:54 (45)
Hour 5:	10:57-11:42 (45)
Lunch:	11:42-12:18 (36)
Hour 6:	12:21-1:06 (45)
Hour 7:	1:09-1:54 (45)
Hour 8:	1:57-2:42 (45)
Blue Jay Time:	2:45-3:10 (25)

W

Hour 1:	8:45-9:27 (42)
Hour 2:	9:30-10:11 (41)
Hour 3:	10:14-10:55 (41)
Hour 4:	10:58-11:39 (41)
Lunch:	11:39-12:13 (34)
Hour 5:	12:16-12:57 (41)

Hour 6: 1:00-1:41 (41)
Hour 7: 1:44-2:25 (41)
Hour 8: 2:28-3:10 (42)

C. Other items from the June 10 Committee Meeting

XII. CAP School District Representative Report- Ms. Smithback Travis

Tracy will provide highlights from the May 20th meeting. The next scheduled meeting is Wednesday, June 17.

XIII. Administrative/PTO Reports- Administrators will highlight some items from their monthly reports at this time.

SCHOOL DISTRICT OF CAMBRIDGE

Special Meeting of the Electorate
MAY 18, 2015
7:30 p.m. – CHS – IMC (Library)

V.C

Call Meeting to Order- Joe Pleshek, School Board President. Board of Education Vice President, Greg Engelstad called the meeting to order at 5:54 p.m. Four of seven members present: Joe Pleshek, Phil Adas, Glenn Bolt absent.
Elect Chairperson of the meeting. Motion made by Keith Schneider, second by Peg Sullivan to move to elect Greg Engelstad as chairperson of special meeting. Motion unanimously carried, chairperson elected.

❖ **Consider acquisition of Simonson St. Parcel #111-0613-0633-000 from the Village of Cambridge.** Bernie spoke to item – buying parcel on Simonson Street for potential parking for softball and baseball games to add additional spaces and alleviate some of the safety concerns. District had sold to village years ago on a quick-claim deed. Bernie met with Mo Hanson, Village Administrator/Treasurer, to discuss possible purchase back. Discussed Pilot Payment Agreement in lieu of sales costs and taxes for the year – approximately \$300.00. Motion made by Bernie Nikolay, second by Keith Schneider to authorize the Board/District to enter into negotiations with the Village of Cambridge for the purpose of securing Parcel #111-0613-0633-000 from the Village of Cambridge. None opposed. Motion unanimously carried, authorization approved. Motion made by Bernie Nikolay, second by Peg Sullivan to move to authorize Administration to negotiate with interested parties for possible sale of a portion (approximately 20 feet of land) of parcel #111-0613-0633-000 to allow for buffer between property and potential park lot. Motion unanimously carried, authorization granted.

Consider any other business properly coming before the Special School District Meeting. None.

Adjournment. Motion made by Peg Sullivan, second by Tracy Smithback-Travis to move to adjourn meeting. Motion unanimously carried, meeting adjourned.

[Voter Eligibility: U.S. Citizen, Age 18 as of 5/18/15. Resident of the School District of Cambridge for 28 days prior to 5/18/15].

School District of Cambridge
Board of Education Meeting
Monday, May 18, 2015

Call to Order. Board of Education, Vice President, Greg Engelstad called the meeting to order at 6:00 p.m. Four of seven members present. Joe Pleshek, Phil Adas and Glenn Bolt Absent.

Election of Board Officers.

Board President. Motion made by Greg Engelstad, second by Peg Sullivan to nominate Joe Pleshek for Board of Education President. Motion made by Greg Engelstad, second by Tracy Smithback-Travis to close nominations. Motions unanimously carried, Joe Pleshek elected as Board of Education, President.

Board Vice-President. Motion made by Greg Engelstad, second by Peg Sullivan, to move to nominate Tracy Smithback-Travis as Board of Education Vice-President. Motion made by Greg Engelstad, second by Tracy Smithback-Travis to close nominations. Motions unanimously carried, Tracy Smithback-Travis, elected as Board of Education, Vice-President.

Board Secretary/Clerk. Motion made by Tracy Smithback-Travis, second by Thomas Wright, to move to nominate Margaret Sullivan as Board of Education Clerk. Motion made by Tracy Smithback-Travis, second by Tom Wright to close nominations. Motions unanimously carried, Margaret Sullivan elected as Board of Education, Clerk.

Board Treasurer. Motion made by Greg Engelstad, second by Peg Sullivan to move to nominate Phil Adas as Board of Education Treasurer. Motion by Peg Sullivan, second by Thomas Wright to move to close nominations. Motions unanimously carried, Phil Adas elected as Board of Education Treasurer.

Public Comment. None.

Blue Jay Good News Jar. Several Good News Jar items were read by Board Members and Student Representative.

Student Representative. Molly Hensel reported today assembly on “Still Human” - Mental Health Awareness. Very good presentation. Band active in two parades and playing at graduation. Two great spring concerts; band and choir. Spring sports play-offs start soon. Many Track records being broken left and right. Athletic awards

night 5/20 and academic awards on 5/27. Graduation 20 days away - 3 weeks left of school - year is winding down.

Consent Agenda.

Motion made by Peg Sullivan, second Thomas Wright to move to approve consent agenda as presented. Motion unanimously carried, consent agenda approved as presented.

Staffing Report. Keith Schneider, CHS Principal spoke to two new positions at CHS. Kelly Brunner - Coach/Mentor Position. CHS Business Education - Shane Leadholm. CES/NMS Music - Holly Doll (sp) from Elkorn. Sara Klein - CES Art Teacher - from Fontana - passion for the arts.

Gifts and Donations Report. Tracy read gifts and donations report. Thank you all for your gifts.

Approval of Minutes of Past Meeting(s). As presented.

Treasurer's Report and Monthly Vouchers. As presented.

Discussion and Action on Settlement with the Cambridge Education Association on 2015-2016 Base Wages.

Bernie reviewed items. Joe, Peg, and Bernie met with the negotiations team to review. Accepted the Boards offer - overwhelmingly. Motion made by Peg Sullivan, second by Thomas Wright to move to approve settlement with the CEA on 15/16 Base Wages. Motion unanimously carried.

Discussion and Action Supplemental Compensation for Teaching Staff. Bernie reviewed supplemental benefits; 1.38% for wages for next year. Total increase of 3% for next year. Mentor language being removed from handbook. Added language that denies the next wage increase to a teacher who is placed on an improvement plan - both base and supplemental. Motion made by Peg Sullivan, second by Thomas Wright to move to approve supplemental compensation to teaching staff. Motion unanimously carried item approved.

Discussion and Possible Action on School Nurse Contract with Fort Health Care. Annually we vote on the contract with Fort Health Care. A 2.5% increase being proposed for next year. Asking for additional 10 hours per week for our school nurse next year. Additional needs for student health plans and care of students; family and teachers to work on health plans for services to be provided. Additional hours will help with updating out-dated policies and implementation of wellness initiatives for staff. Motion made by Greg Engelstad, second by Peg Sullivan to move to approve School Nurse Contract with additional 10-hours per week with Fort Health care as presented. Motion unanimously carried, item approved as presented.

Discussion and Possible Action on Contract with CESA 2. Bernie spoke to items - summary provided to Board. Annual contract. Motion made by Peg Sullivan, second by Tracy Smithback-Travis to move to approve CESA 2 Contract as presented. Motion unanimously carried - item approved.

Discussion and Possible Action on Renewal of Dane County New Teacher Consortium (66.0301 Agreement with Waunakee School District). Bernie reviewed briefly. Annual 66.0301 agreement with Waunakee as the liaison. Very valuable time and services for new staff. Motion made by Peg Sullivan, second by Thomas Wright to move to approve the 66.0301 agreement as presented. Motion unanimously carried, item approved.

Finance Committee Report. Greg Engelstad reported in the absence of Phil Adas. Met with Village to increase safety of crossings in the Village of Cambridge. Add flashing lights to the school speed limits signs - when students are present. Estimates sought for sidewalks on Simonson and Blue Jay Way. Apply for grant dollars for this project - very expensive.

Discussion and Possible Action on Pilot Agreement with the Village of Cambridge Acquire Parcel of Land on Simonson St. Motion made by Peg Sullivan second by Greg Engelstad to move to approve the Pilot Agreement with the Village in lieu of taxes for land on Simonson Street - Parcel #111-0613-0633-000.

Discussion and Possible Action on 2015-2016 Delta Dental Plan and Dean Health Plan.

Mark Worthing reported. There will be no premium increase in dental benefits for 2015/2016. There will be a 6.5% increase in medical premium without plan changes - after holding the increase for the past 2-3 years. Motion made by Peg Sullivan, second by Tracy Smithback-Travis to move to approve the dental and health care plans for 2015/2016 school year as presented. Motion unanimously carried, plans approved.

Policy Committee Report. Peg spoke to item. Policy on the table based on two groups; school groups and non-school groups. Emphasis on safety and security and if the fund-raising activity provides an educational experience as well. Looking for event to provide a good learning experience and to allow students to participate more actively in their organization(s). Item reviewed to add value to activities and language issues and what groups are affected

First Reading on Revision to Policy #374 Student Fund Raising. Bring back to June meeting as an item for action.

Severson Learning Center Committee Report. Tracy reported. Getting updates from Rettler on phasing of potential development areas. Getting more information on fundraising opportunities, grant dollars and other applications for funding assistance. More opportunities coming before the committee.

Communications Committee Meeting Report. Peg reported. Committee met with WASB to discuss facilitation of strategic planning. To detailed for Board's/District's needs at this point. Looking for other potential facilitators. Will move forward with plan this summer. Revising district video and launching a new version of it this fall featuring Matt Kenseth.

Curriculum Committee Report. Peg reported. No action items for this evening. Reviewed things that were discussed at the committee meeting: staff professional development - Cambridge University, Ready Gen - guided reading program by Pearson. Update - we have received an additional Chrome Cart. Building Schedule - length of day for the district - CES - 5 minutes - NMS - 1 minute - CHS - 2 minutes. Lengthy discussion relative to CHS schedule. Large amounts of testing - testing is going well - I.T. gets kudos for technology support of all the testing.

Action on 2015-16 Open Enrollment Applications. Motion made by Peg Sullivan second by Greg Engelstad to move to approve Open Enrollment Requests as presented with the contingency on the special education review being completed. Numbers by fall will look very different and are preliminary at this point in time. Motion unanimously carried, open enrollment application approved.

Action to Set Annual Meeting Date, Time, Location (September 21, 2015 - 7:00 p.m. CHS Library) Motion made by Peg Sullivan, second by Greg Engelstad to move to approve Annual Meeting Date of September 21, 2015 - 7:00 p.m. Motion unanimously carried, Annual Meeting Date set as noted above.

Administrative/PTO Reports. Krista Jones, Chris Holt, John Leadholm, Keith Schneider and Bernie Nikolay reported on happenings and events in the buildings and the district.

Selecting of Board Members to hand out diplomas at Graduation - Sunday, June 7 - 2:00 p.m. Greg Engelstad and Peg Sullivan will serve as the Board representatives at graduation and assist in handing out the diplomas.

Motion made by Peg Sullivan, second by Greg Engelstad, to move to **Convene in Executive Session per ss 19.85 (1) (f) to consider employment, promotion, promotion, compensation of performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility.**

(Discussion of Support Staff Wages for 2015-16). Roll call vote: Engelstad-yes, Smithback-Travis – yes, Wright – yes, Sullivan – yes. All ayes. Motion unanimously carried, meeting adjourned to closed session.

Board discussion relative to support staff wages. Keep language changes consistent with CEA Handbook as applicable.

Return to Open Session for Public Discussion and Action on Items Discussed in Executive Session. Motion made by Tracy Smithback-Travis, second by Greg Engelstad to move to return to open session. Motion made by Tracy Smithback-Travis, second by Peg Sullivan to move to approve a 3% wage increase for support staff. Motion unanimously carried, support staff wages for 2015/2016 approved.

Adjourn. Motion made by Peg Sullivan, second by Thomas Wright to move to move to adjourn. Motion unanimously carried, meeting adjourned at 8:24 p.m.

Respectfully Submitted: Mary Kay Raether, Recorder

Approved as Presented/With Changes as Noted:

Joe Pleshek, BOE President

Tracy Smithback-Travis, BOE Clerk

- Breakfast (own expense) en route
- Lunch (own expense) en route
- Return to **Cambridge High School**

THIS IS A ROUGH DRAFT ITINERARY FOR INFORMATIONAL PURPOSES ONLY. YOU WILL RECEIVE A DETAILED ITINERARY UPON ACCEPTANCE OF THE TOUR AGREEMENT.

Mary Kay Raether - Changes to CES Student-Parent Handbook

VIII
CES
Handbook
Changes

From: Chris Holt
To: Mary Kay Raether
Date: 6/10/2015 3:26 PM
Subject: Changes to CES Student-Parent Handbook
CC: Administration

Changes/Additions to the CES Student-Parent Handbook:

- General Dates (updates for Registration, Ready-Set-Go, etc.)
- Updated BOE members and positions
- ****Additional Item**** 4K Orientation Night
- ****Added Environmental**** Club to Co-Curricular Code of Conduct

If there are changes to registration or hot lunch/breakfast I will amend that as well.

****Is this all that is needed for the BOE meeting Monday Night?**

NMS Handbook

To: Board of Education
Fr: Krista Jones
Re: NMS Student Handbook Changes for 2015-2016
Da: June 12, 2015

The following is a summary of the changes in our NMS Student/Parent Handbook for 2015-16:

- General rearrangement of existing sections and subsections
 - Academic Program
 - Changed reference from Wisconsin Model Academic Standards to Common Core State Standards
 - Added Health to the 7th grade Exploratory curriculum
 - Updated the description of the 7/8 Spanish elective to reflect awarding of high school credit beginning in 15-16.
 - Updated the Student Recognition subsection to reflect the change to a single "Honor Roll" for students earning a 3.0 GPA or higher.
 - Attendance
 - Under Unexcused Absences/Truancy added a reference to the Attendance Review Board.
 - Pupil Services – NEW SECTION
 - Activities
 - Combined Student Handbook and Activity Code subsections into one subsection – Student Activity Code
 - Communications & Opportunities for Parent Engagement – NEW SECTION TITLE
 - Eliminated language under Fundraisers/Sales and included reference to Policy #374.
 - Added language under Phone Use to address the increased frequency of parents communicating with their children (phone and/or text) throughout the school day – or vice versa.
 - Health & Safety
 - Updated Lice/Nit Policy subsection to reflect the current policy – "Modified No Nit" and added reference to the policy
-

- Promotion/Retention
 - Eliminated language that referenced review of WKCE assessments as a component of promotion/retention
 - Student Behavior & Discipline
 - Eliminated duplicated information
 - Eliminated gum as a restricted privilege
 - Added reference to our NMS Electronics Use policy, but did not describe the new policy/practice in detail as the PBIS team is putting the finishing touches on the policy details this summer. Mr. Leadholm and I can share the new policy during the BOE meeting.
-

CHS
Handbook

From: Keith Schneider
To: Mary Kay Raether
CC: Administration
Date: 6/11/2015 12:09 PM
Subject: BOE Handbook Changes for CHS

Student Handbook Changes:

- *name/position changes
- *building schedule change (adding 2 minutes)
- *remove language regarding "chains" in clothing section
- *modify language regarding backpacks in school (not taken to classroom)
- *add language under "Attendance" to include: Attendance Review Board, unexcused absence clarification (no parent content, leaving building w/o permission, falsifying an absence, 3/5/7 absence letters)
- *remove Tardy language "issue a detention on the second and subsequent tardy"
- *add Tardy language "Teachers will follow PBIS attendance protocol." (tardies as a "minor" and add that to our minor vs major list)
- *change language under "Making Up Work Missed" from "staff will not allow extra time to may allow time"
- *remove section on "A sick day or send them to school?" and possibly move to website (We will keep section on INFORM YOUR SCHOOL)
- *change "LUNCH" section to include specific language about "students will not be able to purchase a lunch or other food items" if they do not have a lunch balance. We will continue to offer a sandwich/milk for those students with negative balances.
- *Under "LUNCH" modify language regarding "closed campus." Grades 9-10 have closed campus. Grades 11-12 have open campus (with driving privileges)
- *remove Public Address Announcements section--not applicable
- *add language in SCHOOL FEES to include field trips and parent notification on these fees
- *change VEHICLE PARKING title to
- *add language to VEHICLE PARKING to include a definition of a motorized vehicle
- *change language to VEHICLE PARKING to "use of vehicles at noon is a privilege reserved for junior and senior students"
- *change language regarding Waiver of School Responsibility Form to include parents to transport their child(ren) to an event (this situation came up regarding Solo-Ensemble this year that forced us to allow parents to bring students)
- *add language regarding e-cigarettes in appropriate sections of the handbook
- *clarification of card playing--cannot while school is in session, allowed for curriculum reasons and incentive reasons
- *add language to WEAPONS--"Such items will be confiscated and given to the School Resource Officer."
- *language changes to DISCIPLINARY ACTIONS:
 - both major and minor infractions will be entered into Skyward (in past, some minors were not entered)
 - clarified where/when detentions are to be served
 - remove Home Detention Language (we use OSS as a tool)
 - add parent/guardian language to Appeal Process (originally only had student listed)
- *Grading Section changes
 - change language regarding students may come in for help/retake tests to teacher discretion
 - add decimal places to the hundredths place on grading scale (to match Skyward)
 - clarify late work: Homework and other assignments that are turned in late will be down-graded per teacher policy. Late work will be accepted up to one week after the unit assessment is taken (or the completion of the unit).
 - remove sentence: In-class work/assignments/tests, where the student is expected to turn in the completed work at the end of the class period, will be graded according to what was turned in at the end of that class period.
- *update Final Exam language to address students who miss a regularly scheduled exam
- *update Final Exam language regarding AP to "AP students must write their first semester exams while their second semester exams may qualify for final exam waivers according to PBIS guidelines."
- *update on Commencement:

--clean up clothing language and mortar boards

*add section on Technology Excellence Scholarship (taken from BOE Policy 462)

*add new language to Study Hall Guidelines regarding IMC use (those students earning D/F are in structured study hall)

*add policy reference for Fundraiser/Sales

*delete "Annual School Fundraisers (a list of 2 groups currently)

Board Finance Standing Committee Meeting
Wednesday, June 3, 2015, 4:30 p.m.

District Office

AGENDA

1. Call to Order-Roll Call
2. Approval of Minutes of the Last Meeting
3. Public Comment
4. Road Safety Working Group Update
5. Simonson Street Parking Lot Update
6. SLC Site Plan
7. Sharing of Social Worker with CART
8. Buildings and Grounds
9. Budget Discussion
 - o Post- Employment Benefit Update
10. Old Business
 - o WEA Lawsuit Update
 - o Historical School
11. Items for Future Agenda
12. Next Meeting, Date, Time and Place
13. Adjournment

Other School Board Members may attend this meeting resulting in a quorum being present. However, no action is taken at the Board Communication Standing Committee Meeting. These meetings are for review and discussion of District Communication activities and development of year-long and long-range planning.

The School District of Cambridge
prepares citizens who
learn from the past,
achieve in the present, and
envision the future.

Finance Committee

6-3-15

1. Call to order: 4:37
 2. Approval of Minutes: Approved
 3. Public Comment: None
 4. Road Safety Working Group
 - The permit for the beacon should be filed with the DOT within a week. The beacon and pole will be ordered this week or next. The flashing light will be installed at USH12 and Lawn St. There will be warning signs leading up the the beacon. Total cost for the project will be \$22,837. Red Arrow will be installing. The projected costs are "worst case" scenario and will more than likely come in less. Flashing lights will be installed to highlight the speed zones.
 5. Simonsen St. Parking
 - PILOT agreement is signed by both parties. Deed is being filed with Jefferson County. June 15 the board will vote to sell a portion to James Polk. Mike Rumpf is working with the Village to get it zoned properly for a parking lot. It has been confirmed that we can still get adequate parking spaces.
 6. SLC Site Plan
 - Nothing new. Bernie updated the committee on a Monsanto Grant that the District received to build learning centers.
 7. Sharing of Social Worker with CART
 - Pastor Dan from Grace Lutheran was in attendance to represent CART. The Board approved the increase in social worker FTE. Dan gave a brief description of what CART does. There is a need in the community for more social services. Bernie is suggesting CART's share be \$10,000 and CART would get the social workers services one day a week. Bernie distributed a draft contract that could be used.
 8. Buildings and Grounds
 - Randy informed the committee of the graduation set up, athletic field setup. NAMI has started work on site for the controls project. The soccer field hasn't been graded yet. The grading will be done at the same time as the ADA path. Randy will update Bridgette on the grading work as it could impact summer softball/baseball. Randy has made some adjustments to the systems in some of the school offices. A condensing unit will be replaced in the elementary school to cool the cafeteria area. Summer cleaning will start next week.
 9. Budget Discussions
 - OPEB Discussions - Mark presented the committee with some documents that detail some options on OPEB benefits. The utility usage report was also distributed
 10. Old Business
 11. Items for future agenda: OPEB, Simonsen St., Road Safety, SLC Site Plan
 12. Next Meeting: July 8, 4:30
 13. Adjourn: 5:24
-

**AGREEMENT
BETWEEN THE
CAMBRIDGE SCHOOL DISTRICT
AND
CAMBRIDGE AREA RESOURCE TEAM**

**RE: PURCHASE OF SCHOOL SOCIAL WORKER SERVICES PERFORMED BY KRISTIN
AASEN-GOWEN FOR THE 2015-16 FISCAL YEARS.**

This is an Agreement by and among the School Board of the Cambridge School District and the Cambridge Area Resource Team, Inc. (CART). The participating parties agree to allow CART to purchase School Social Worker services from the Cambridge School District for the purpose of serving school district pupils, future pupils and their respective parents and guardians, as set forth below, pursuant the authority established in Section 120.13 of the Wisconsin Statutes, 120.13(19) of the Wisconsin Statutes et al. Each participating party agrees to the following:

I. Purpose

The participating parties intend to allow CART to purchase School Social Worker services from the Cambridge School District. These services shall be performed by Kristin Aasen-Gowen. In the event that Kristin Aasen-Gowen no longer holds the position of School Social Worker during the term of this Agreement, CART may terminate this Agreement, upon notice to Cambridge School District. Under such circumstances, CART will be responsible for a prorated share of the cost listed in Section IV below, based upon the number of work days completed at the time of the termination of Kristin Aasen-Gowen's contract.

II. Plan of Operation

- A. Description of Duties: Kristin Aasen-Gowen will perform School Social Worker duties, as set forth in the teacher contract dated August 24, 2015- June 3, 2016 for both the Cambridge School District and the CART. Kristin Aasen-Gowen's employment contract year, for the year covered by this Agreement, shall be considered as twelve months running from July 1, 2015 to June 30, 2016 and shall contain 186 working days.
- B. Percentage of Contract Performed: KRISTIN AASEN-GOWEN will perform twenty percent (20%) (i.e. 8 hours of work per week) of the employment contract year (as defined above in section II, subsection A) for the CART. This represents the equivalent of 37.2 working days. Kristin Aasen-Gowen will perform eighty percent (80%) of the employment contract year (as defined above in section II, subsection A) for the Cambridge School District. This represents the equivalent of 148.8 working days. The scheduling of individual work days will be agreed to by the parties. The schedule of Kristin Aasen-Gowen's work days for each of the respective parties is attached as Addendum A.
- C. Shared Personnel Committee: The participating parties will meet as needed to review the performance of the duties under this Agreement. The participating parties shall each perform their own individual evaluation of Kristin Aasen-Gowen. The participating parties will review each of the participating party's individual evaluation of Kristin Aasen-Gowen to monitor the status of this Agreement. The participating parties agree to share employment related information regarding Kristin Aasen-Gowen to effectuate this Agreement, and an addendum to Kristin Aasen-Gowen's contract, expressly permitting the sharing of information between the participating

parties, shall be prepared and executed.

III. Fiscal Agent

Cambridge School District will serve as the fiscal agent of Kristin Aasen-Gowen's contract.

IV. Budget/Funding

The CART shall pay \$10,000 toward the costs listed in the teacher contract between the Cambridge School District and Kristin Aasen-Gowen dated August 24, 2015- June 3, 2016.

The school district will bill CART in August and in January for half of the agreed upon amount.

V. Term

Term of Agreement: The sharing of Kristin Aasen-Gowen's contract shall be for the time period covered by July 1, 2015 through June 30, 2016. The CART shall notify the Cambridge School District by February 28, 2016 if it intends to reapply for the continuation of this Agreement. The Cambridge School District shall notify the CART by March 15, 2016 if it intends to grant, deny or modify the request to continue or end this Agreement.

Any work performed outside of August 24 and June 3 will be outside the scope of this agreement and will be strictly between CART and Kristin Assen-Gowan. Any compensation for said work will be agreed upon by CART and Kristn-Aasen Gowan and will not involve the Cambridge School District in any manner.

VI. Disclaimer Clause

If any provision of this Agreement, or addendum thereto, is held to be invalid by operation of law, by any tribunal of competent jurisdiction, or by an administrative ruling of the Wisconsin DPI or if compliance with or enforcement of any sections, or addendum thereto, should be restrained by such tribunal, the remainder of this agreement shall not be affected thereby. In the event that any provision is invalid or enforcement or compliance therewith has been restrained as above set forth, the parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or part.

1	Relocate handicapped parking at corner of Main Street and County PQ from Main Street to County PQ.	none
2	Improved use of existing portable delineator posts for pedestrian crossings on Main Street.	none
3	Enhanced striping at Main Street intersections.	WisDOT
4	Increased Police enforcement of non-stopping motorists to foster respect for new flashing crosswalk beacons.	none
5	Greater Police enforcement of speeding on PQ.	none

PROJECT TYPE: Additional Funding & Resources Required		
PRIORITY	DESCRIPTION	PERMIT AND/OR CONSULT WITH:
1A	Installation of push button Rapid Rectangular Flashing Beacons (RRFB) on USH 12 & Lawn Street. [P,F]	WisDOT
1B	Install signs ahead of new flashing beacons alerting motorists to "Crossing Ahead". [P,F]	WisDOT & County
2	Installation of timer initiated Flashing Beacons (RRFB) in school zones on County B and PQ	COUNTY
3A	In-fill sidewalk installation in the area of the high school (Bluejay Way, Simonsen Street and a portion of Potters Lane) and leading to the middle school and youth center. A school to school route is identified as Lawn Street crossing Main Street to North Street. In-fill sidewalk installation along defined route. Simonsen Street sidewalk may involve School District moving existing fencing. Coordination with Town of Oakland on sidewalks in Town is necessary. [F] 4. Sidewalk installation on east side of Simonsen Street detailed as a handicap ramp between baseball and softball fields; curb cut at street and designation of 1 or 2 disabled parking spots on street near field entry gate. [F]	Town of Oakland
3B	Facilitating a pedestrian path from the high school to General Dollar and the adjacent commercial district. [P,F]	WisDOT
4	Connect Madison Street to the intersection of Mill Street and North Street by way of a pedestrian bridge. [P,F]	DNR
5	Two additional speed boards for Spring Street near Middle School and the eastern end of USH 12. Comment submitted by Deputy Lauritsen. A November 2014 quote of \$6,200 per sign has also been submitted provided by the Deputy. [P,F]	WisDOT and County
6	Connect high school to Ripley Park in the Town of Oakland by way of sidewalks or paths. [P,F]	Town of Oakland

Student and Other Fund Raising

At times, it is desirable to have students and/or parent groups involved in fund raising to enhance the educational opportunities of the students. It is also believed that students who participate in fund raising for their organization may increase their connection to the organization and may develop skills and experiences that will benefit them in their adult lives. Fund raising should only occur when budgeted funds are not available, and should be conducted in a manner that does not put undue pressure on citizens and business people to support the School District of Cambridge with additional funds. All funds originating from a school affiliated fund raising project or activity shall become the property of the school district and are subject to control and discretion of the board of education (through administrative staff) as to their use and distribution.

For the purpose of this policy, the following definitions shall apply:

School affiliated organization: any school based unit such as grade, class, school sponsored club or organization, school sponsored team, etc. Funds related to these groups are accounted for in the districts activity funds.

- All fundraisers during school hours must abide by the USDA Guidelines related to nutrition and frequency- schools may allow up to two fundraiser that are exempt from nutrition standards per student organization per school year

School related organization: any non-school based, but school associated unit such as a parent group, booster club, alumni organization, school/community recreation program, etc. Funds related to these groups are generally not accounted for in the district's activity funds.

- Community-wide sales campaigns should be studied carefully to insure that projects sponsored are of good aesthetic taste and provide dollar value for the items sold. Efforts should be made to insure that most of the money raised stays in the school district.
- School related organizations are strongly encouraged to abide by this policy and are requested to submit an end of fundraiser report to the district that describes what the fundraising activity was and a financial summary of the activity.

Fund Raising Criteria

- Student participation in fund raising events will be strictly voluntary and quotas will not be assigned.
- Student academic grades or playing time shall not be dependent on participation in fund raising
- Door to door sales are prohibited for students in grades K-8. For safety reasons, door to door sales will be limited to acquaintances of the students in grades 9-12. In addition, students should never go door-to-door by themselves. Instead, a buddy system or parent accompanying the student is recommended. Whenever possible, school identifying clothing, nametage, ID, or uniforms should be worn.
- Staff may not fundraise for outside groups or individuals during the school day or use school email, or other school property for this effort. Staff may post, or leave, fundraising brochures in the teacher's lounge.
- Collaboration with local businesses in fund raising activities is encouraged.

- Fund raising activities that incorporate educational features such as business plans, use of student talents, etc. are encouraged.
- No individual and/or group may solicit funds or participate in fund raising activities for solely personal gain on school premises, nor use the name of the school or any school club, organization, or class for this purpose.
- **When involved in fundraising, students may not solicit staff during the school day.**
- All receipts and disbursements derived from fund raising must be processed through the appropriate audited activity account

Fund Raising Approval

All groups seeking to raise funds for “needed” equipment items should first check with the building administrator, business manager or district administrator to see if the item(s) could be funded within the current or following subsequent year’s budgets.

All **school affiliated** groups wishing to raise funds will submit a completed “request for fund raiser” form to the building principal for ~~subsequent Board of Education approval at the next regularly scheduled meeting of the Board, with the following exceptions: approval.~~ Administration should deny all requests that do not comply with this policy. Organizations may appeal the decision of school administration to the school board.

- A. Fund raisers involving sales of items to students only will be approved by the building principal.
- B. “Traditional” annual fund raisers such as the FFA pancake breakfast and citrus sale, CA-HI magazine sale, class pizza sale, etc. will not need to submit a request. The building principal will determine whether the fund raiser is “traditional” in nature.
- C. Activities that involve services to the community (i.e. car washes, yard clean-up activities, food stands or concession stands) may be approved by the building principal. Prior to approval, the principal should take into consideration the service/product, appropriateness of the activity, supervision needs, safety concerns, produce/service pricing and age appropriateness of the activity.

Other School Board members may attend this meeting resulting in a quorum being present. However, no action is taken at the Board Finance Standing Committee Meeting. These meetings are for review and discussion of monthly financial activities and development of year-long and long-range financial planning. Financial action may only be taken at the regularly scheduled Board of Education meetings of each month.

The School District of Cambridge

BOE CURRICULUM MEETING--AGENDA & MINUTES

Date	6.10.15
In attendance	Keith Schneider, Bernie Nikolay, Chris Holt, Peg Sullivan

Agenda Items	Minutes
Call to Order	Meeting was called to order by Peg Sullivan at 5:33p
Approval of Minutes of Prior Meeting	Peg Sullivan approved the meetings minutes from last month.
Public Comment	none
PD Calendar	<p>Keith shared a rough draft of a calendar of events for PD offerings (see attached). 12 hours of PD will be selected by teaching staff. An offering of PD is currently being developed under the title "Cambridge University." Offerings will include Moodle modules, Tech Tuesday offerings, Poverty Seminars, and a variety of other offerings. Professional teaching staff can submit a proposal for hours to Mr. Schneider to be reviewed by the Cambridge University leadership team. Conferences attended during a teachers "paid day" would not count toward this requirement. Summer offerings and/or after school offerings may not count. The Cambridge University leadership team will work on preparing the offerings over summer with full rollout for late August.</p>
CES ELA Update (ReadyGEN)	<p>Keith Schneider and Chris Holt shared information on a literacy program called ReadyGEN. CES used rubrics to "dig into the materials" to determine if the product contained high levels of materials (which it did). A group of CES staff went to a PD offering (on their own time) to hear from the author of this program. CES Vertical team discussed this program as it relates to guided reading and differentiation. Currently this program has the support from CES staff, Mr. Holt and Mr. Schneider. It is an all inclusive reading, writing, grammar, spelling and phonics program that is wrapped around by rich literature. Our IMC and book room will complement this program nicely.</p> <p>6 schools in WI are now exploring this program (none were as of last meeting).</p> <p>Peg suggested we speak with Cora Yenser regarding additional texts that may support the ReadyGEN collection.</p> <p>PD--1.5 days in August, follow up 1 day in Winter</p> <p>Budget--\$60,029.86 (ReadyGEN) + \$20,091.48 (Rtl and PD). There are C&I funds remaining in the current budget as well as unallocated C&I funds in next year's budget. Mark prefers to pay in one installment during the 15-16 school year.</p>

	<p>website resource: www.litworld.org</p> <p>The Committee recommends it moving to the full BOE in June.</p>
State Assessment Update	<p>Badger Exam</p> <ul style="list-style-type: none"> *Results pending (should be available in days not weeks) *Results embargoed until September/October <p>ACT Aspire</p> <ul style="list-style-type: none"> *Summer release of information <p>No changes at this time but State budget has not been approved.</p>
Para-Educator PD for Support Staff	<p>Keith shared information on the PD offerings for our support staff. District purchased rights to PD Now, an online training component specifically designed for support staff. This year, support staff have used it to building capacity and have taken limited courses. For 2015-2016 (and beyond), the goal would be to have all of our support staff completing 13 courses and 2 practice assessments. Courses take approximately 30-40 minutes to complete.</p> <p>Cost outlay coming for 2015-2016. Our subscription expires in Sept/Oct. (both PD Now costs as well as additional payroll costs).</p>

Notes:

- *Presenters will be paid curriculum hours to prep for any PD offering taught. (Set by Administration)
- *Moodle Offerings will be developed over the summer and made available during the 15-16 school year.
- *Conferences during the school year are not applicable to PD hours unless approved by Administration.
- *Proposals for PD may be submitted in writing to Keith A. Schneider. These will be reviewed/accepted/rejected by Administration.

Moodle topics which are ongoing:

2 choices per Trimester

Tri 1–Moodle–PLC–6 hours

Tri 1–Moodle–Disciplinary Literacy–6 hours

Tri 2–Moodle–Book Read (Kelly Gallagher)–6 hours

Tri 2–Moodle–Grading Smarter Follow up–6 hours

Tri 3–Moodle–Questioning Strategies for Domain 3–6 hours

Tri 3–Moodle–tbd

Google Topics which are ongoing:

*Teaching Strategies in Google Environment–6 hours

Other Courses:

*BadgerNet Course

Other ideas for PD for above calendar:

*Google+ Instructional Tech Community - join; use idea/resource in classroom; reflection

*PD in the areas of PLC, standards-based grading, writing, SMI/Quantile work, etc.

*C20/telepresence

*Facebook Setup/Social Media

*Chromebook Usage in Classroom

*Google Docs (sharing, creating websites, etc.)

*SmartTools

*Response for Formative/Summative Assessment

*WI Media Lab

*Media Lab/BadgerNet Course

*Tech Academy Follow Up---

--Tech A or Tech B concept in summer

*Skyward Mass Messaging

*Pinterest

Features and Benefits

ReadyGEN© 2016 is a K-6 comprehensive literacy curriculum that equips students and teachers with the tools to meet heightened literacy expectations. Authentic, rigorous text sets actively engage students, and a complete array of print and digital resources provide teachers with the support and flexibility they need.

Authentic Text at the Core of Instruction

- The only elementary literacy program that puts a library of 12 authentic trade books in the hands of every child
- Cohesive text sets that provide a springboard into the exploration of language, literacy, and collaboration
- Digital access to every trade book to shift students' behavior from passive to active learning

Supportive, Flexible, and Customizable

- Foundational skills instruction and practice built into every lesson

Books

Meaningful Center
Activities

MyGEN

- An Interactive Teacher's Guide for point-of-use access to close reading support, note-sharing, and modeling videos
- A variety of scaffolding strategies promoting instructional equity and access to rigorous text for all students
- Meaningful Center Activities aligned to ReadyGEN texts, writing modes, and Enduring Understandings
- Ability to rearrange content, add links and information, upload resources, and build your own tests for a personalized experience
- Professional development for customization and instructional support

Assessment for Responsive Teaching

- Various assessment opportunities for you to use with students to monitor their progress toward college and career readiness
- Baseline Assessments
- Formative checkpoints throughout instruction
- Performance-Based Assessments at the end of every module
- Access to technology-enhanced items
- Summative, End-of-Unit assessments

» Overview

Mt. Ephraim School District, a small district located in Camden County, New Jersey just across the Delaware river from Philadelphia, hired Leslie Koller to be the new superintendent in January 2013. Koller was charged with addressing declining rigor in classrooms, low teacher morale, and new state requirements. And because the Common Core assessments were scheduled for 2014-2015, she had a year to turn the district around.

» Challenge

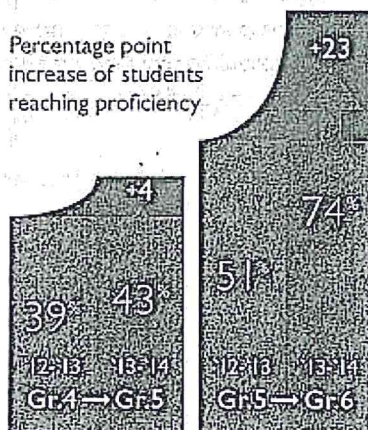

When Leslie Koller stepped into the role of superintendent, she immediately faced many challenges. For three years, teachers had not received new contracts or professional development. Student achievement was falling due to lack of rigor in the curriculum. The Common Core Standards were to have rolled-out over three years beginning in 2011-12 with final implementation completed by the end of school year 2013-14. By September 2013, the district should have been 2/3 of the way through implementation, but the process had never been started. First and foremost Koller wanted to elevate student outcomes and secondly, she had to implement the new standards in one year.

Mt. Ephraim
School District
CASE STUDY »

“When learning to read words with short vowel sounds our previous language arts series focused on blending word families. At first I was concerned that Reading Street required students to blend words with varied ending sounds right away and not just word families. Following the program my students met the challenge and had a very successful year.”

—Judy Czerski
Kindergarten teacher

FIGURE 1:
New Jersey Assessment of Skills and Knowledge Student Gains for Years 2012-13 and 2013-14

» Solution

“When the 2013-14 school year started, I launched a communication plan to parents, teachers, and students,” said Koller. “Parents were used to many of their children making honor roll. I told them that we were purchasing new curricula that were correlated to the Common Core State Standards (CCSS). The first year we were purchasing a new language arts program and the following year we would purchase new math curriculum. I warned them that the new language arts program, Pearson’s Reading Street, was very rigorous and that students would be facing more challenges this year.”

Koller gave her Kindergarten through 6th grade teachers everything they needed to implement the program with fidelity. Teachers received professional development throughout the year, both in-person and online. Koller encouraged them to stick with it for the entire year, and by the middle of the school year teachers saw the value in it. “This curriculum promotes foundational thinking skills for true research and logical reasoning,” explained Susan Mosebrook, 5th and 6th grades language arts teacher.

» Results

Worried about learning gaps due to implementing CCSS in one year instead of three, Koller was surprised to find that student outcomes did not suffer. “We have the greatest gains that we have had since 2008-09, which is the earliest date I have on record. We have made up some of the losses and then some,” said Koller. Based on state-level test scores, in one year, 3rd-6th grade students reaching proficient or advanced increased 7 percentage points, 5th grade alone increased 4 percentage points, and 6th grade increased 23 percentage points (see Figure 1).

“As tough as the year was, the curriculum became the one positive as teachers were able to see it working and students rising to the challenge. I think it reinforced their own faith in the kids and in their ability to teach at a higher level,” said Koller. Student growth was seen at every grade level. “Before Reading Street and Common Core, we celebrated the two or three students who exited Kindergarten as readers. Now, we are celebrating an entire class of readers,” said Terri Bergin, Kindergarten teacher.

Writing in ReadyGEN

ReadyGen addresses the Instructional shifts created by the Common Core State Standards. Two shifts related specifically to writing include:

Shift Toward Text-Based Answers

At the heart of ReadyGEN is reciprocity between reading and writing to promote student thinking and understanding through citation of text-based evidence. Rich discussions, team-talk, writing to sources, and close reading routines allow students to practice this skill.

Shift Toward Writing to Sources

Students are taught to carefully analyze and synthesize sources, write to sources, and defend claims in every lesson.

ReadyGEN combines reading and writing into one complete literacy workshop, by providing targeted instruction with multiple reads of a variety of coherent texts. Written formative and summative assessments for monitoring progress are also part of the equation, which ultimately leads to deeper student understanding and increased student responsibility.

Each writing lesson in a module focuses on one writing type—narrative, informative, or opinion—all in service of the Performance-Based Assessment that students will be assigned at the end of the module. Explicit instruction guides students through the writing process, and begins by linking reading and writing. Students analyze good writing models from the anchor and supporting texts they are reading, and examine and explore writers' styles and techniques.

Grammar and Conventions: The Routines and Activities section of the Scaffolded Strategies Handbook provides discrete lessons focusing on grade-level-appropriate, complex grammatical structures as part of the instruction on language conventions. These discrete lessons can be taught in any order, realizing that mastery of language conventions develops along a non-linear progression.

To the

**Next Generation
Science Standards
November 2013**

Grades K-5

**A Correlation of Pearson ReadyGEN, ©2014
to the Next Generation Science Standards, November 2013
Grades K-5**

Introduction

This document demonstrates how *ReadyGEN, ©2014* meets the *Next Generation Science Standards, (November 2013)*. Correlation references are to ReadyGEN reading selections that match the Topic Arrangements of the Next Generation Science Standards and are cited by grade level and unit. Reading selections are located in the ReadyGEN Trade Book Libraries, Text Collections, and in Sleuth.

ReadyGEN is a comprehensive, K-5 literacy curriculum of topically-related text sets and routines-based instruction. ReadyGEN is being created with the goal of equipping all teachers and students with the tools and practices necessary to meet the new expectations of the Common Core Standards and the Publisher’s Criteria. Lessons are designed on the principles of the gradual release of responsibility framework with the goal of building independent readers and writers. At the heart of ReadyGEN is a reciprocity between reading and writing to promote student thinking and understanding through citation of text-based evidence. Students are taught to carefully analyze and synthesize sources, write to sources, and defend claims.

Program Organization

ReadyGEN is organized around unit modules (six units in grades K-2; four units in grades 3-5) with a focus on science and social studies standards-based topics. Text sets, comprised of full length and shorter authentic pieces of literary and Informational trade books and texts, are used to build knowledge around these topics for sustained periods of time. All texts are aligned to the complexity requirements outlined in the Common Core Standards, ensuring that all students interact with appropriate grade-level texts. Teachers will have access to a variety of scaffolded strategies to help support all learners.

Why do we like ReadyGen?

ReadyGen is an integrated literacy program focused on reading, writing, speaking and listening. It is built on a collaborative learning model in which teacher and students work together throughout the instructional process to grow students' understanding and expand their knowledge. Teachers activate the learning process through instruction, modeling, scaffolding and re-teaching as needed. Students collaborate with one another and with the teacher to analyze, question, evaluate and respond as they practice and apply what they have learned. Metacognition is a critical piece of this learning process.

ReadyGen actively engages students in literacy experiences, with authentic, rigorous texts serving as the core of all instruction. This program was developed to enable students to meet the expectations of the CCS. ReadyGen provides the tools teachers need to guide students through an instructional approach that the reciprocity of reading and writing. ReadyGen has at the heart of its instructional design a link between close reading and the production of writing.

How can we be assured students are learning?

- Assessment opportunities include:
 - Baseline: Used at the start of the year to establish a "starting point" for each student. Identify where students are at.
 - Formative: Integrated throughout every module. Teachers really liked "If...then" which is laced throughout the process.
 - Performance-based: Each module concludes with a PBA. Such tasks allow students to apply skills and show mastery. Rubrics are provided. (Progress monitoring!)
 - Assessment book: Provides base-line end of unit assessments. Also on-line component to allow teachers to manipulate assessments!
 - We will continue with our F & P assessments (running records) as well.

Explain the reading instruction.

The reading instruction includes vocabulary development, test-based conversation (especially on the anchor text), reading/language analysis (students learn figurative language, sentence structure, dialogue, word choice, purpose, genre, etc.), written response to writing, accountable independent reading and reading wrap-up (sharing). Phonics is laced and can operate separately...but most within vocabulary development. Very holistic!

****The pacing is as such: Implementation Guide page 19****

How is writing integrated within the reading program?

Writing is the tool for enhancing reading comprehension and learning from text. Each writing lesson in a module focuses on at least one writing type as specified in the CCS—narrative, informational/explanatory or opinion—all included with performance-based assessments. Explicit instruction guides students through the writing process—through linking reading and writing. Writing lessons are focused on one or more grammar, usage, and mechanics conventions. Independent Writing Practice is great...linked with PBA.

CES
Bd Report

TO: The Cambridge Board of Education
FROM: Christopher Holt
DATE: June 9, 2015
SUBJECT: Cambridge Elementary Principal Report

- ✚ The staff continues to assess different programs in the area of English Language Arts. Findings will be reported to the Curriculum Committee as appropriate. I would like to thank and acknowledge the teachers who have spent numerous hours engaged in research and data digs in efforts to find the best path to betterment.
- ✚ Several exciting activities that happened at CES since our last school board meeting:
 - On May 19th our 4th graders participated in a “Home Alone” program presented by Fort Health Care. Discussions took place regarding emergency contacts and plans, role playing for stranger danger and so much more. Very good information was shared to help keep our students safe when they are home alone.
 - On May 19th our 5K and 5th graders had their Spring Concert. Our students did an outstanding job of sharing their talents with their families.
 - On May 20th our 5th graders visited NMS. Thank you to the NMS for their efforts in welcoming our students to their new school.
 - On May 21st our local EMS folks presented to all grade levels at CES. Thank you to the Cambridge EMTs for helping keep our students and community safe. We hope this learning opportunity will be a traditional event for our PLC.
 - On May 27th all students were able to participate in a PBIS celebration (school-wide Bingo) because their behavioral goal was reached. The staff and students enjoyed celebrating this accomplishment.
 - On May 28th the 4K students and families had their Potluck/Concert. The 4K students were the “rock stars” of this evening and a good time was had by all. Thank you to the 4K team for organizing such an awesome event!
 - Camp Read-a-Loud—The CES Library was filled with tents to promote the love of reading. Thank you to the LMC team for organizing this learning opportunity for our students. We plan to continue this strong tradition in the future.
 - Human Growth and Development was taught to our 4th and 5th grades toward the end of the year. New resources were purchased and used to help facilitate learning.
 - On June 4th a successful and safe Field Day took place at CES. Thank you to the team that organized another strong traditional event. Also, thank you to the many volunteers who supported this effort.
- ✚ The Vertical Leadership Team has created next year’s building schedule. Two separate RtI times have been created for grades 5K-5. This initiative has been a huge undertaking in efforts to ensure that students are being challenged at their individual learning levels and ultimately to help close achievement gaps. We are excited to see it in action this fall!
- ✚ I would like to acknowledge and thank the staff of CES for their dedication, passion and professionalism displayed consistently throughout the 2014-2015 school year. I feel fortunate to be a small part of this amazing team.

June 15, 2015

Nikolay Middle School

- On May 21, our 6th graders visited the Sterling North Museum in Edgerton. This was the culmination of their study of author Sterling North's book *Rascal*.
- Our annual *Run Swim Run* event was a huge success with every student in attendance on May 22 participating in the event! With donations from the event itself and the bake sale sponsored by our FACS classes, we were able to make a donation of \$970.00 to the Cambridge Area Resource Team (CART)!
- We had wonderful weather for our 6th grade World's Fair on June 3. This meant several elementary classes were able to walk over and enjoy our 6th graders' presentations....and culinary efforts! The evening portion of the event included the 6th grade band and choir performances – all portions of the event were well attended.
- Both PBIS teams will meet in the coming days/weeks to work on our Tier 1 and Tier 2 behavior intervention supports systems. One of the areas targeted for a "boost" is our communication with parents around PBIS practices and procedures.
- We held our 1st Annual Blue Jay Games on the last day of school. In years past, our 7th and 8th grade classes had separate 4th quarter incentive trips – to the Kalahari Waterpark and Six Flags Great America, respectively. Our PBIS team determined last summer to focus on a school-wide 4th quarter incentive, rather than individual class incentives. Overall, the feedback has been positive about our celebration held at CamRock 2. It seems the students enjoyed simply hanging out a bit with some structured events during the afternoon. We are already working on tweaks and adjustments for next year!

Pupil Services

- Throughout May, we conducted 3 Non-Violent Crisis Intervention (NVCI) training refresher courses. The refresher is a 4-hour class for those staff who received the 8-hour training last August. With Deanna Tomczak trained as a NVCI trainer in our district, we were able to establish a certification/re-certification cycle without sending staff out of district for training. Each building has a trained crisis team of at least 6 staff. All building level administrators are trained.
- Our K-12 Pupil Services team met for a full day on June 10 to: examine the delineation of roles/responsibilities; determine goals/priorities for the 2015-16 school year; discuss our current communication systems within the team and to other staff; discuss access to mental health resources; review the Child Protection Unit Second Step materials; and discuss the Healthy Classrooms Foundations grant.

CHS Bd Report

From: Keith Schneider
To: Mary Kay Raether
CC: Administration
Date: 6/8/2015 4:20 PM
Subject: June BOE Report--CHS
Attachments: d3girlsresults.htm; d3boysresults.htm

Academics:

*The Academic Awards Night was held on May 27, 2015. Over \$561,000 in scholarships were earned by the Senior class.

*Graduation was held on June 7. I will comment on this at the BOE Meeting.

*CHS finished off the semester with exams on June 3-5.

*Credit recovery for CHS High School students will begin on June 15, 2015. I would like to thank Mrs. Parker and Mr. Leadholm for their coordination.

Extra-Curriculars:

*The Athletic Awards Night was held on May 20, 2015. Many student-athletes were recognized for their achievements.

*At present, the Boys Baseball team is still playing! They head to the WIAA Sectional on Tuesday in Osseo, WI. They play at 1:30p and if they win, they would play at 4:30p for the opportunity to play at state! Good luck team!

*The Girls and Boys Track teams sent a total of 20 athletes to UW-LaCrosse last Friday and Saturday. The Girls placed 5th in the State and the Boys placed 3rd in the State. The following are state champions: Girls 4x400 relay, Boys 4x400 relay, Boys 4x800 relay.

*Congratulations to all Spring sports on great seasons!

C&I Updates:

*As of today, M June 8, there were no reports available at the ETS TOMS Badger Exam 3-8 portal. Reports should be coming soon!

*ACT Aspire results are scheduled to be available to districts on July 2, 2015.

*ACT Plus Writing aggregate data will be sent to schools the week of June 25, 2015. The scores are embargoed until September-October.

*SMI and SRI results are now available for the complete school year. The scores will be reviewed over the summer.

Dean
Report

June 2015 School Board Report

Submitted by: John Leadholm,
NMS & CHS Dean of Students

Nikolay Middle School:

1. The End of the Year Assembly was a huge success with many different student and group recognitions. Many parent, family and friends of our students attended this assembly.
2. The 4th Quarter Incentive, called "Blue Jay Games" was held on the last day of school, June 5th. The students and staff were bused to CamRock 2 Park. While at the park, the students had a picnic and played in a variety of games. This was a very enjoyable and rewarding event to conclude the incentive program for the year. 8 students did not qualify for the incentive due to poor behavior choices.
3. The Middle School PBIS Team met on Wednesday, June 9th. Assessment of behavioral data was accomplished, along with changes for the acknowledgment system that will take place next school year.
4. Summer school will begin on Monday, June 15th with students taking classes at either the elementary school or high school. This summer, the middle school building/campus will not be used. This will help in the transportation of students from the schools, and allow the janitorial staff to clean the middle school without any interruptions.

Cambridge High School:

1. Those students who are need of credit recovery have been notified by Mrs. Parker, and have been registered to participate in summer school. Students who are working on credit recovery over the summer will be involved in direct instruction from Mr. Leopod, Mr. Kolata and Mrs. Fujara along with taking online courses through PLATO.
 2. The CHS Tier 1 and Tier 2 PBIS Teams will be meeting on Monday, June 15 and Wednesday, June 17 to assess behavioral data, make recommendations for potential changes in the Student Handbook, and begin to differentiate types of behavioral infractions.
-

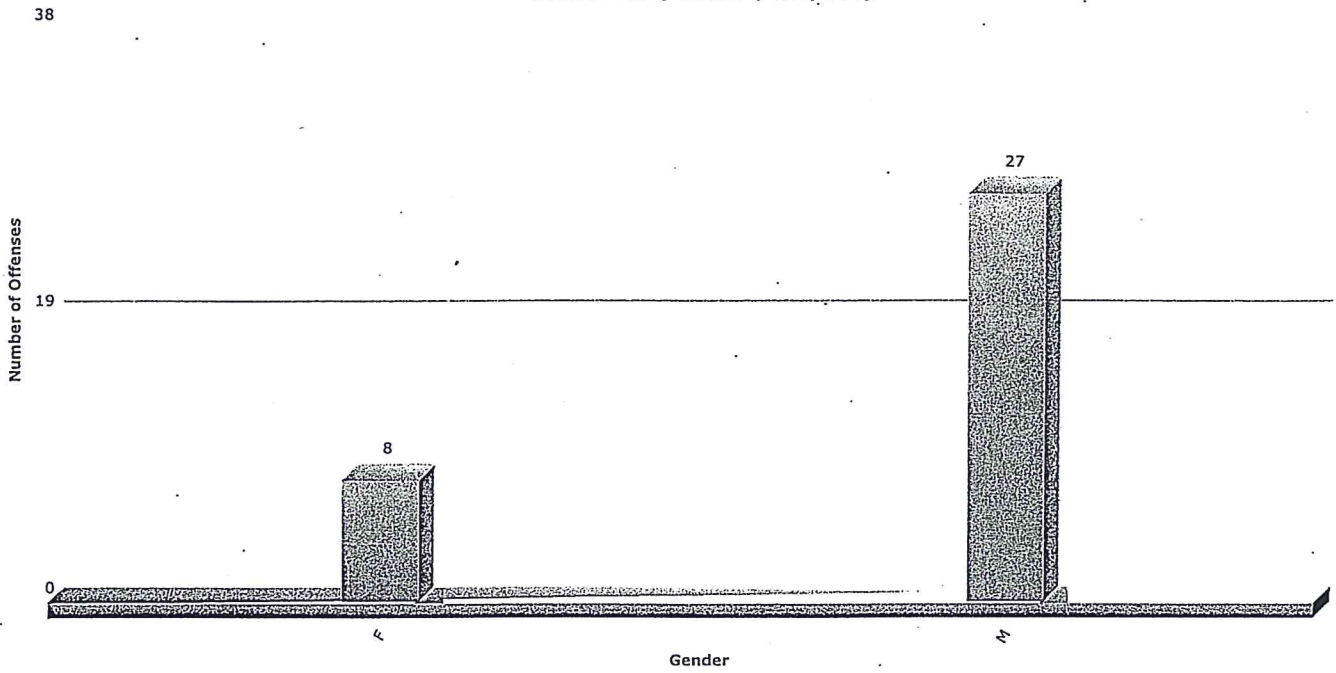

3. Mr. Schneider, Mrs. Jones, Mr. Holt and Mr. Leadholm will be attending the annual Captiol Conference Administrator Workshop on Thursday, June 25 in Marshall.
4. Mr. Leadholm , Mrs. Kristin Gowan, and SRO Tony Reynolds are in the process of creating language for the Cambridge School District Attendance Review Board. A first draft of this program will be presented at the July School Board meeting.
5. The Cambridge Athletic Booster Club will be holding their annual “Grip It and Rip It” Golf Outing on Wednesday, June 24. Proceeds that are generated from this event are used to support the Cambridge School District’s athletic department.

******PBIS Behavioral Data sheets are also included in my Board Report. There are data sheets from both the Nikolay Middle School and Cambridge High School.***
