Superintendent

Title I, Part A **Grades PK-12** 2015-2016 **School Year** **School-wide Program**

Intent and Purpose

The purpose of Title I, Part A is to ensure that all children, particularly low-achieving children in the highest-poverty schools, have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and the State academic assessments.

Title I, Part A provides supplemental resources to Dilley I.S.D. to help schools with high concentrations of students from low income families that will provide a high quality education which will help enable all children to meet the state student performance standards.

Title I, Part A supports schools in implementing either a school-wide program or a targeted assistance pro-gram. Dilley I.S.D. supports schools in implementing a School-wide Program at:

Dilley Elementary (Grades PK-5)

Mary Harper Middle School (Grades 6-8)

Dilley High School (Grades 9-12)

Title I, Part A funds are used to supplement the educational program of the entire school. A school-wide plan is implemented to help ensure that all students attain the state student performance standards.

Each campus is dedicated to identifying and implementing instructional strategies that can increase the quality and amount of learning time for all children to enable them to achieve challenging academic standards.

Title I School-wide Program

Each of the four Title I campuses serve all children by incorporating the ten components of a School-wide Program:

1. A comprehensive needs assessment of the entire school.
 2. Opportunities for all children using effective methods and strategies.
 3. Instruction by highly qualified teachers. All campuses are highly qualified for the 2011-2012 School Year.
 4. High-quality, ongoing professional development for teachers, principals and paraprofessionals.
 5. Strategies to attract high-quality qualified teachers to high need schools.
 6. Strategies to increase parental involvement.
 7. Strategies for transition from early childhood pro-grams to elementary school programs.
 8. Measures to include teachers in the decisions regarding the use of academic assessments.
 9. Provide effective, timely additional assistance for students experiencing difficulty mastering the proficient or advanced state standards.
 10. Coordination and integration between federal, state, and local services and programs.
- Services provided (but not limited to):

1. Technology
2. Instructional Aides
3. Instructional Materials
4. Training / Staff Development
5. Instructional Facilitators/Consultants
6. Tutorials
7. Counselor
8. Parent Liaisons

Parental Involvement Policy

Dilley ISD is committed to the goal of providing quality education for every child. In order to achieve this goal, we would like to establish partnerships with family and community members. Everyone gains if Dilley ISD and the community work together to increase student achievement for all children. Support for children and for the school is critical to a child's success at every step along the way. DILLEY ISD staff intend to include family members in all aspects of the school's mission to help students achieve, and that includes how we operate the DILLEY ISD Title 1 program. The goal is a school-home partnership that will help all children succeed. We thank you in advance for all of your help and assistance in working together with your child to help him/her succeed in school.

Assessment

Students in the Dilley ISD are provided with a multitude of assessments throughout the school year. These formative, summative, and performance assessments provide the teachers with the data they need to be able to provide instruction to meet the specific needs of each child. The goal of the Title 1 program is to provide the instructional services the students need in order to increase student performance and academic achievement.
