

CONTAGIOUS AND LIFE THREATENING DISEASES

The Amber-Pocasset Board of Education is concerned for the health and well-being of students and staff of the public schools. While the general health and physical well-being of a student is the responsibility of the parent, the board believes that teachers and administrators should promote and encourage the maintenance of a healthy body and mind.

Oklahoma law (70 O.S. §1210.194 and 63 O.S. §1-507) prohibits any child afflicted with a contagious disease from attending a public, private, or parochial school until such time as the child is free from such contagious disease.

Oklahoma law (70 O.S. §10-105 [1]) also permits the exclusion of a child by reason of mental or physical disability as determined by the board of education upon a certificate of a duly-licensed and practicing physician.

The board of education recognizes the possibility of students and staff acquiring and/or transmitting a contagious disease. Children may be excluded from school when the board believes exclusion is necessary to promote the safety and well-being of students and staff.
