- Make all checks payable to St. Joseph After School Program. Square one is available.
- A change in payment plan can only be made at semester unless other circumstances are discussed with the Director.
- Students will be picked up on the St. Joseph School bus each day and bused to the After School Program building at 1313 Deer Street. (School release form includes this.)
- One daily snack and drink will be provided.
- Time will be allowed for students to do their homework. The worker monitoring the homework area will do what they can to assist the students. Please communicate with us if your student has certain needs regarding this. National Honor Society students assist in providing extra tutoring on Thursday every week.

- Students are to follow the rules listed under the “Discipline Policy”.
- All ASP registration forms must be completed along with the registration fee in order for a student to attend the program. If it is possible that the program will be used only on an occasional basis, please fill out all paperwork at the beginning of the school year in order that the records will be complete when the student attends ASP. Since the student(s) will be riding the bus, you must have signed the school permission release form, there will be no exception on this.
- It is the responsibility of the parent/guardian and the student’s teacher to send the student to ASP. Please inform your student’s teacher or notify the school office specifying whether your student is or not to attend ASP, especially if it is a change from the regular routine. Please call the office before 3:00 (or 2:30 on Wednesdays) if there is a change of plans. The office will then inform the teacher and student of the change.

***If at all possible, incoming calls should be placed before 3:00 or after 4:00. The first hour of ASP is the busiest time of the day.***
