3. Is migratory or whose native language is other than English and comes from an environment where a language other than English is dominant.
4. Who has sufficient difficulty speaking, reading, writing, or understanding the English language and whose difficulties may deny such individual the opportunity to team successfully in classrooms where the language of instruction is English or to participate fully in our society.

TUTORIAL PROGRAMS: Students who are certified to receive educational services through the State Migrant Education Department in cooperation with the State Department of Education are offered 30-minute tutorial help during the school day in the areas of reading, math, and language arts.
