

What is a School-Parent-Student Compact?

Our school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and home.

Jointly Developed

The parents, students and staff worked together and shared ideas to develop the school-parent compact. Teachers suggested practical strategies to use at home. Parents provided valuable feedback on their needs to help their students. Students shared ideas that would help them learn. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and the students' needs.

Parents are welcome to provide feedback at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents. Please call 912-626-5050 or visit our website at <http://bcms.bryan.k12.us>
