## Employee Benefit Overview

Ur

Everyone deserves to have peace of mind, and the employee benefits provided through your employer can help you get there. Here at American Fidelity Assurance Company (American Fidelity), we understand one size does not fit all – that’s why we design our insurance plans and benefit programs to fit the different lifestyles and needs of our customers.

Please take a moment to look over these four sections containing important information about the plans and programs available through your employer’s benefit portfolio.
