Lawton Public Schools Athletics General Information and Waiver Form

Athletic injuries will occur. The Lawton Public School District employs a team physician and a certified athletic trainer to work with coaches in providing prevention programs and proper treatment of injuries. The coaches working in our program are well-qualified, professional people. Fundamentals related to each sport will continually and repeatedly be emphasized on and off the field.

Safe equipment and supplies are provided for each athlete. Parents should instruct their son/daughter that he/she is the person who should have the most concern about the safety and proper maintenance of his/her equipment. Players should assume the responsibility for periodic checks and replacement of damaged equipment.

Insurance Information

The Oklahoma Secondary School Activities Association provides catastrophic insurance for students in grades 9-12 provided students are participating in interscholastic activities authorized and approved by the Board of Directors. **This insurance provides for catastrophic injuries only. All other injuries necessitating medical care will be the responsibility of the parents, guardian or custody parent.**
