

The Cambridge Board of Education believes in the concept of recognition of students, staff, groups or individuals for outstanding achievements. The Board will recognize and commend such outstanding achievements as:

1. Outstanding service to the community and school.
2. Honors received for significant contributions.
3. Leadership and services to the School District of Cambridge and the community.
4. Honors received for outstanding performances.
5. Offices held and professional assignments completed in education-related activities.
6. Recognition deemed appropriate by the Board.

The administration, staff, public and/or the board members may make recommendations for recognition and commendation.
