

EQUAL EDUCATIONAL OPPORTUNITIES

All students of the district will have equal educational opportunities. The Board will not discriminate on the basis of race, color, creed, religion, sex, handicap, economic status, national origin, or ancestry in its policies or programs.

To accomplish this policy on nondiscrimination, the Board will make every effort to provide all students equal access with respect to admission or membership in school sponsored organizations, clubs or activities, access to facilities, distribution of funds, academic evaluations, or any other aspect of school-sponsored programs or activities.

The Board recognizes, however, that in implementing this policy, children vary widely in capabilities, interests, social, and economic background, and that no two children can be treated exactly alike if the fullest development of each is to be achieved.
