

STUDENTS

Receipt of Confidential Records

Pursuant to Montana law, the District may receive case records of the Department of Public Health and Human Services and its local affiliate, the county welfare department, the county attorney, and the court concerning actions taken and all records concerning reports of child abuse and neglect. The District will keep these records confidential as required by law and will not include them in a student's permanent file.

The Board authorizes the Principal, Superintendent and Counselor to receive information with respect to a District student who is a client of the Department of Public Health and Human Services. When the District receives such information, the Superintendent will prevent unauthorized dissemination of that information.
