

SCHOOL/COMMUNITY RELATIONS

Cooperative Programs with Other Districts and Public Entities

Whenever it appears to the economic, administrative, and/or educational advantage of the District to participate in cooperative programs with other units of local government or other public entities, the Superintendent will prepare and present for Board consideration an analysis of each cooperative proposal.

When formal cooperative agreements are developed, such agreements shall comply with requirements of the Interlocal Cooperation Act.

The District may enter into an Interlocal agreement providing for the sharing of teachers, specialists, superintendents, or other professional persons licensed under Title 37, MCA. If the District shares a teacher or specialist with another district(s), the District's share of such teacher's or specialist's compensation will be based on the total number of instructional hours expended by the teacher or the specialist in the District.
