6. Conduct an annual review of the effectiveness of the parental involvement policy. **(An online survey is on the school website and parents are notified as to how access it. Curalstine Thomas)**
7. Develop district parental involvement committee to create a parental involvement policy and implement parental involvement activities as well as disseminate information to the community

to promote parental involvement in the Title I, Part A schools. **(Parents are asked to complete a survey indicating the committees on which they would be willing to serve. 8. Involve parents in the process of school review and improvement under Section 1116 of NCLB.**(Curalstine Thomas)**

Develop parental involvement policy.

Offer flexible meeting times.

Provide information to parents about the school's program, include parent information guide.

Develop and use the School-Parent Compact.

Provide training for parents in working with their child to improve academic achievement, to include training on the phone notification system in order to have real-time access to their child's attendance and achievement. **(Curalstine Thomas/Tammie Moore)**

Provide an opportunity for the parents to assist in the development of the evaluation procedures, including analysis of data collected. **(An agenda item during the first parental involvement meeting addresses the development and evaluation processes of the parental involvement policies and findings) Curalstine Thomas**
