V. Action on Agreement with Cambridge Counseling Clinic for On-site Services- Krista

We have sought out a partner to provide private counseling in our school buildings. There are often students that need mental health services beyond what our school counselors can provide. Often times these services are not delivered because the family is unable to get regular transportation to the clinic. This agreement with Cambridge Counseling Clinic will simply provide a space for the therapy to take place in our schools. We don't see this as a common occurrence but feel it will help some of our students get these needed services that they may otherwise not receive.

There is no cost to the district nor would we be charging the clinic for using our facility. The Counseling Clinic is fully insured and we would require proof of insurance annually.

VI. Presentation on Youth Risk Assessment- Denise Parker

Denise Parker, CHS Counselor will be delivering a brief presentation summarizing the results of the Dane County Youth Assessment Survey that was administered to students in grades 7-12 in February of 2015. She will discuss data gathered from the assessment regarding student's living situations, physical health, sexual activity, tobacco use, alcohol use, marijuana use, emotional health, bullying, perceptions of school, perceptions of community and faith. Students were asked to fill out the assessment voluntarily and there were some students who did not want to participate and a few who were opted out by their parents.

Taken Off Amended Agenda: Consider Awarding Diploma to Veteran, Peter Ball, Under ss 120.13 (37)

This item will be deleted from our Agenda as Peter Ball applied for the same thing in the State of Illinois and got it through them. I left it on here just because I thought you might find it of interest and we could have another request in the future.

Peter Ball does not meet all of the criteria for the diploma under the statutes. The criteria he does not meet is that he is not yet 65 years of age-he is 61. I checked with the Department of Public Instruction that the Board could still use their discretion and decide to issue Mr. Ball a diploma. His paperwork all seems to be in order and is included in your packet. Below are the relevant parts of the statute in question.

AWARDING HIGH SCHOOL DIPLOMAS TO VETERANS.

Notwithstanding s. 118.33 (1) and (1m), award a high school diploma to a person who meets all of the following requirements:

1. Is at least 65 years old, or is at least 55 years old and has a service-connected disability.
2. Attended high school in the school district or attended high school in this state and resides in the school district.
3. Left high school before receiving a high school diploma to join the U.S. armed forces during a war period under s. 45.01 (13).
4. Served on active duty under honorable conditions in the U.S. armed forces or in forces incorporated as part of the U.S. armed forces.

VII. Declaration of Educational Standards

Included in the state budget were new requirements that school districts post and declare the district's curriculum standards to be in effect for the coming school year.

Our posted agenda and this statement should satisfy the requirement. Tracy should read this:

Student Academic Standards: Per requirement of Section 120.12 (13) of the state statutes the Board of Education is providing notification that the School District of Cambridge Board of Education has adopted the Wisconsin Model Academic Standards for science and social studies and the Common Core Mathematics and Reading/Language Arts Standards. The district also has incorporated into science instruction the Next Generation Science Standards. The district is also using the Career/College Readiness Standards as a basis for curriculum review and revision during the 2015-16 school year.

Here is the statute:

DECLARATION OF EDUCATIONAL STANDARDS.

- (a) Annually, prior to the beginning of the school term, notify the parents and guardians of pupils enrolled in the school district of the pupil academic standards, adopted under s. 118.30 (1g) (a) 1., that will be in effect for the school year. The school board may provide the notice required under this paragraph electronically, including by posting the notice or a link to the pupil academic standards on the school district's Internet site.
- (b) Annually, include as an item on the agenda of the first school board meeting of the school year a notice that clearly identifies the pupil academic standards adopted by the school board under s. 118.30 (1g) (a) 1., that will be in effect for the school year.

VIII. Board Finance Committee Report- Mr. Adas

A. Resolution to Withdraw from the Local Property Insurance Fund- Mark Worthing

Due to the reduction in cash reserves in the Local Government Property Insurance Fund and the property values of municipalities across the state being updated (and increased), premiums for the property insurance through this State insurance fund increased on average 85%. The premium for Cambridge increased around 150% from 2014-15 to 2015-16. Cambridge is part of a consortium called SIRMC for its insurance needs. SIRMC decided the best course of action to deal with this would be to seek bids to see if a more economical policy could be found. SIRMC is currently reviewing bids that have been submitted and is anticipating choosing one of the bids on September 1, 2015. In order for the school district to cancel its policy with the LGPIF, the board must vote on a resolution to withdraw. Passing the resolution before an alternative provider is chosen will allow Cambridge to change immediately after the decision is made.

B. Other updates from the August 17 Committee Meeting

Curriculum Committee Report- Ms. Sullivan

A. Discussion and Possible Action on Purchase of Bicycles for Physical Education Curriculum

As part of our curriculum changes in our physical education classes we would like to add classroom sets of bicycles in the MS and HS. We would like to start at the middle school as Beka Johnson has experience with these in another district. With all of the wonderful trails in such close proximity to the schools we think the adding of bicycling to the PE and summer school curriculum will be a huge fitness benefit for our students and also very exciting for the students.

The cost of helmets and bicycles for Phase I (MS) is \$10,439. The money has been added to the curriculum budget for this year. Peg was extremely supportive of the purchase. We seek the Board's approval for this exciting purchase. Keith will be on hand to answer any questions you may have.

B. Other updates from the August 12 Committee Meeting

X. CAP School District Representative Report- Ms. Smithback Travis

Tracy will provide highlights from the June 20th meeting. The next scheduled meeting is in August.

Board of Education Meeting Minutes
Monday, July 20, 2015

Call to Order. Joe Pleshek, Board President, called the meeting to order at 6:00 p.m. Seven of seven members present.

Public Comment. None.

Blue Jay Good News Jar.

☺ From Emily Klingbeil: 1. Congratulations to all the Cambridge FFA members that exhibited projects and animals at the Stoughton and Jefferson County Fairs. There were several champion and blue ribbon winners. Our students have been working hard all year to prepare their projects. They did an excellent job representing our school. We also appreciate all the time and effort put in by our alumni volunteer project leaders. 2. Cambridge FFA was recognized at the Wisconsin State FFA Convention with a Silver Award in the National Chapter Recognition Program. This award is given to chapters that demonstrate a high level and variety of activities in their program that target chapter, student and community development. 3. Congratulations to graduating seniors Lisa Zibell and Megan Redford for earning their State FFA Degree. This degree is the highest degree given out by the state FFA Association and recognizes members that have developed high quality individual projects and been very involved at the local, state and national level. Students must spend at least 1000 hours in their agriculture projects to qualify for this degree. Lisa works in her family's tobacco operation and raises and shows beef steers. Megan's projects included raising and showing poultry and market steers.

☺ From Keith Schneider: The Golf Coaches Association of Wisconsin (GCAW) is proud to announce the recipients of the 4th annual "Team Academic All-State" award, established to recognize high school golf teams with the highest 'team' grade point averages ('team' is defined as the five designated golfers on the roster for the spring 2015 WIAA regional tournament). The three teams with the highest cumulative team GPA in each division (D1- D2-D3) will be recognized with gold, silver, or bronze medals for each student-athlete, and their schools will receive a certificate to note this accomplishment. Schools with at least a 3.25 team GPA will receive a certificate acknowledging honorable mention status. Cambridge High School finished with *3rd - Academic Team All-State* recognition. Congratulations to the following team members for their academic accomplishments: Danny Peppey, Ben Engelstad, Cole Leadholm, Adam Krueger and Quinn O'Connor.

☺ From Keith Schneider: CHS has great news about our most recent AP scores. 80.3% of tests taken were passed at a 3 or higher (Note: 3 or higher is needed in order to count toward college). That's the highest percent to date. In fact, it far surpasses the state average of around 70%! Also, a total of 76 exams were taken. That's up from 58 last year. Congrats to the students on their hard work AND their AP teachers (Mr. Wilson, Mr. Heinrichs, Mrs. Kindschi, Mrs. Levenson, Mrs. Fleener, Mr. Corwith and Mr. Hardy).

☺ From Mr. Schneider: Two thank you notes from Jay Nikolay and Adam Krueger thanking CHS and Mr. Schneider for sponsoring their attendance at the 74th Annual Session of Badger Boy's State.

Student Representative Report. Molly Hensel, Student Council Board of Education Representative reported on the NMS Blood Drive that was held on June 25. A total of 59 pints were donated. Molly attended Badger Boy's and Girl's State along with Adam Krueger, Jay Nikolay and Julie Jenson. Start of school year in one month.

Consent Agenda. Motion made by Phil Adas, second by Tracy Smithback-Travis to move to approve consent agenda as presented.

Staffing Report. Bernie Nikolay, Superintendent, reviewed. New Hire/Contracts: Angela Gliniecki, NMS Art Teacher. Resignations: Elizabeth Jones, CHS Science Teacher, Sandra Christensen, NMS Learning Aide.

Agreement between the
Cambridge Counseling Clinic and the Cambridge School District

The Cambridge Counseling Clinic and the Cambridge School District are entering into an agreement where the Cambridge Counseling Clinic will provide counseling services to students of the Cambridge School District. Employees of the Cambridge Counseling Clinic are individually licensed through the Department of Regulation and Licensing. All therapists are covered under the malpractice insurance for the Cambridge Counseling Clinic.

The Cambridge Counseling Clinic will:

Provide clinical services to students of the Cambridge School District

Verify client insurance eligibility and associated billing

Maintain all clinical records in compliance with the Department of Regulation and Licensing

The Cambridge Schools will:

Coordinate referrals through the office staff and designated therapist of Cambridge Counseling

Obtain a release of information from the potential client(s) to facilitate communication and required paperwork between the client(s), Cambridge Schools and Cambridge Counseling prior to obtaining services

Provide a location for the therapist and client to meet

In addition the Cambridge Counseling intake paperwork will need to be filled out by the potential client(s) and insurance verification will need to be completed prior to scheduling an appointment.

The therapist will function as a clinician in an outpatient setting.

Either party may terminate this relationship with a 30 day written notice.

BOE CURRICULUM MEETING--AGENDA & MINUTES

Date	8.12.15
In attendance	Peg Sullivan, Krista Jones, Keith Schneider, Chris Holt, Bernie Nikolay

Agenda Items	Minutes
Call to Order	Meeting was called to order by Peg Sullivan at 5:34p
Approval of Minutes of Prior Meeting	Peg approved the meetings minutes from last month.
Public Comment	none
PD Calendar	<p>Keith Schneider updated the group on the new Cambridge University Calendar. Bernie shared a memo of clarification to staff regarding this new PD format. Peg Sullivan cautioned group on difference between in-school PD and outside school PD.</p> <p>PD in the form of face-to-face instruction, Moodle offerings and workshop offerings are all options for staff. The options will be taught by many in the district (including Sharon Daly, Steve Andersen, Bernie Nikolay and many others).</p>
CES ELA Update (ReadyGEN)	<p>Chris Holt shared information on the one-day training for all staff. Approximately 30 staff were in attendance. Goal of inservice was to have all comfortable with resources. Materials arrived prior to the inservice. Chris Holt brought some of the resources that teachers are using.</p> <p>During the August Inservice, a second training will occur. This will focus on the vocabulary development. A follow-up training will be scheduled during the school year. Peg Sullivan asked about parent communication. Chris Holt, Keith Schneider (and staff) will communicate our new materials with parents/community.</p> <p>Chris Holt to share resources at next BOE meeting.</p>
PE Curriculum Update	<p>Keith Schneider shared an update regarding adding bike units for PE. Bikes would be purchased for NMS first with the goal of adding bikes to CHS PE program. Peg Sullivan and Bernie Nikolay discussed bike repair and the potential need for repair.</p> <p>Storage of bikes were discussed. Perhaps 1906 locker rooms for winter storage.</p>
State Assessment Update	Keith Schneider shared the updated State Assessment Schedule for 2015-2016. The annual fall WKCE will be replaced by some (not approved) assessment that will be administered in the Spring. The ACT+Writing and

	ACT Work Keys remain constant. The ACT Aspire will only be administered in the Spring for both G9 and G10 students. PALS (4K-G2) will continue for 2015-2016. It will be an option for 2016-2017 and beyond. Special needs students will continue to take the DLM assessment in the Spring.
<i>Para-Educator PD for Support Staff</i>	<p>PD Now has been entered on to the Cambridge University offering document.</p> <p>Cost outlay coming for 2015-2016. Our subscription expires in Sept/Oct. (both PD Now costs as well as additional payroll costs).</p>
<i>Next Mtg</i>	9.9.15p at 4:30p at the District Office Conference Room

CAP Directors Report 8-19-2015

Youth Center

The Youth Center has run 4 of the mini camps this summer, with about 7 youth each week. These are not the number we were hoping for, but the students have enjoyed the weeks that did run. The participants cooked, volunteered in the community, fished, and biked the area trails! The Youth Center is currently hiring a supervisor for the upcoming school year.

Seniors

The July 9 luncheon had 23 seniors and July 23 had 21 who enjoyed a visit to the Lion's Clubhouse and fish ponds. Many had never been out there and were grateful and impressed with the tour. The senior exercise group continues to have about 12-14 seniors.

Park

Concession sales are up \$400 more than this point last year. Season pass sales should be about done now, and to date we have sold 30 more passes than last year. We are also up 300 more children and 700 more adults than at this point last year. It has been a good summer for visiting the beach!

Preschool Programs

The Art & Play classes have all maxed out this summer at 10 children each time. Each time they visit a different playground in Cambridge and complete a fun activity with Mrs. Kristin Stockwell.

Aquatics

Weekly Usage Report:

7/4 – 7/9 = 489

7/10 – 7/16 = 536

7/17 – 7/23 = 434

7/24 – 7/30 = 385

7/31 – 8/6 = 394

A joint training was held with the EMS at the pool on August 4. It was good to have our staff interact with the EMS and feel prepared in the event of an emergency.

The pool is currently hiring an Aquatics Manager, lifeguards, Water Safety Instructors, and a swim coach for the fall.

Day Camp

Weekly Numbers:

Week 7 – 34

Week 8 – 36

Week 9 – 29

Week 10 - 34

Cap Care is currently hiring 2-3 Co-Teachers for the fall. We will be having an open hour on August 27 from 4-6 pm during the CES Ready, Set, Go.

Food Pantry

During the month of August the Food Pantry has averaged 33 families per week. The food has been flying out of Food Pantry! The garden is starting to provide us with some nice vegetables especially green beans. The clients appreciate the fresh produce. The Free School Supplies and Free Clothing for anyone in need will be on Monday, August 17 from 4:30 p.m. till 7:30 p.m. Cart has received a lot of clothing and donations. A small meal will also be served that evening thru our local Joining Forces for Families group which has helped to organize event.

Community Café

The Community Meal was held at Ripley Park on August 6. The Foundation served a picnic meal with food catered from Rivers Edge. The food went over really well and we served 176 individuals!

Youth Athletics

Youth baseball and softball seasons recently concluded at the end of July and early August. Both programs conducted end of season surveys and coaches meetings to review the programs. We are grateful for all of our volunteer coaches and parents who supported the teams and the program this season.

Chad is busy planning Flag Football and Recreational Soccer. Estimated numbers for football will exceed 85 total players; however, soccer registration is smaller this fall. Coaches meetings for both programs are scheduled and will be completed by the end of August. Seasons for both sports are set to begin the week of September 7.

Lil Jays Running Club is lacing up for another fall season. Led by returning coach Johan Kaashagen, both boys and girls in grades 3 to 5 will learn about training habits for runners, talk about nutrition when training, and prepare for the Madison College Turkey Trot 5K in early November.

Adult Athletics

The Fitness Center continues to be a successful and valuable community facility. While there are no increases in membership this month, the fitness center continues to serve the current membership and has seen an 80% retention rate for renewing members this summer.

We recently implemented a new combo membership rate that includes access to the community pool and fitness center, as well as a corporate membership that will give a discount to any local businesses with at least 3 employees joining the pool or FC.

Adult Volleyball and Men's Basketball season is just around the corner. Registration is open for both fall seasons which will start in early October and last until the holidays. Both leagues this year will run for a 10 week season with championship teams receiving discount vouchers towards their winter season. New this year, Men's league will co-op with Lake Mills for additional competition.

Adult Fitness classes are ongoing with Piyo and Outdoor Boot Camp led by Jessica Mlsna and Bobbi Jo Schmidtt. The fall season will add Body FIT classes offered again led by Janette Bystol. Jazzercise continues to have strong attendance numbers all summer long!

Other Items

The Lake Ripley Ride had 176 participants and a wonderfully successful day. The riders were very happy with the specialty food items at rest stop. 100% of the riders who responded to the survey said they would recommend the Lake Ripley Ride to a friend.

The Try Cambridge Tri is just around the corner on August 23. We have been very busy preparing for the event. We are still in need of a few volunteers; anyone wishing to help out please contact Bridgette.

CAP staff attended all school registration on August 5. It was a successful day, with families visiting us for CAP CARE, the Youth Center, and fall sports activities.

Summer brochures have hit mailboxes, featuring the new CAP logo. Feedback has been overwhelmingly positive on the new logo! We have also begun to change out the logo throughout our locations and hope to have most done before school starts. Additionally, new staff shirts have arrived and will be set for the new school year. Staff will also have options to order apparel online through an approved vendor anytime they wish.

TO: The Cambridge Board of Education
FROM: Christopher Holt
DATE: August 12, 2015
SUBJECT: Cambridge Elementary Principal Report

- On August 5th I participated in the Cambridge School District Student Registration Night of which we had great attendance and participation. We are busy reaching out to folks who were not able to attend that evening.
- On August 6th English Language Arts teachers took part in an 8 hour professional development opportunity held at CES. We were fortunate to have an outstanding presenter who covered a variety of topics concerning our ReadyGen ELA resource. Most of the materials concerning this resource have arrived are in the hands of teachers who will be using the product.
- Interviews were conducted and concluded for the Interventionist position at CES. We were able to secure a teacher who comes to us with a wealth of experience and she was able to participate in the professional development day held on August 6th.
- The office staff at CES is now busy preparing for "Ready, Set, Go!" evenings which will take place on Wednesday, August 26th at 5:00 (4K families only) and Thursday, August 27th from 4:00-6:00 (5K through 5th grade) at CES. The "4K Orientation Night" will include a meet and greet of staff, tour of the building, meeting with the teacher/s and a bus ride. This is a new initiative for CES as we welcome our new "Blue Jays" in a more intimate setting. Thank you to our 4K team for their efforts in creating this learning opportunity for families.
- I have been working with my fellow principals to continue with professional development concerning the DPI Effective Educator Evaluation System. This collaboration process is/was a great learning opportunity.
- I also participated in our administration retreat in which the team worked to set goals for the district and Cambridge Elementary School.
- A thank you goes out to our maintenance crew for all of their work in preparing CES for the 2015-2016 school year. Thank you for all of your work and efforts. We appreciate you!
- We are ready and eager for the school year to start!!

Nikolay Middle School

- On July 29-31, Jason Leopold (NMS/CHS ELA), Erin Bzdawka (CHS ELA), Kelly Brunner (ELA Coach), and I attended a UW-Whitewater *Writing Institute: Building a Writing Toolkit for Authentic Classroom Writing*. The highlight of the institute came on Thursday when we had full day institutes with either Kelly Gallagher (Building Deeper Readers & Writers) or Nancy Steineke (Writing 24/7 Without Grading 24/7: Strategies for Creating Focused and Engaged Student Writers Who Own Their Learning Targets). Both presenters are nationally acclaimed, published authors, and considered the leading experts on writing not only in English Language Arts, but across the curriculum...at all grade levels.
- On Wednesday, August 19th, we will hold our 6th Grade Orientation activities. The 6th grade student orientation will take place from 8:30 – 10:30 a.m. Students rotate through a variety of information stations, take a tour of the building, meet several of our staff, and move into their lockers. The 6th grade parent orientation takes place at 6:00 p.m. We will share with parents some of the same information we share with students and also offer a time of question and answer. Parents can also tour the building and visit their son/daughter's locker.
- Cross country practice begins Monday, August 17th. At the end of the school year, we had a sign-up for initial interest in running cross country this fall. It appears that we, again, have strong representation from Nikolay Middle School on the Deerfield-Cambridge Cross Country team!
- Girls' volleyball practice begins September 1 - the first day of school.
- Our Nikolay Middle School Open House is scheduled for Tuesday, September 8th @ 6:00 p.m.

Student Services

- On Monday, August 17th, the Cambridge School District partnered with the Cambridge Area Resource Team (CART) and many other community volunteers in sponsoring a Back-to-School Supply and Clothing Give-Away at Nikolay Middle School. This is the 2nd year for this event. The community and district staff response to providing donations, food, and volunteer hours is incredible – and greatly appreciated.
- Included with my report is the required annual report on the use of seclusion/restraint in our schools for the 2014-2015 school year.

Academics

- *Schedules for students are set with minor adjustments now until Sept. 4.
- *Bell schedules are set for all types of days (late-start days, early release days, etc.)
- *Teachers are starting to report and use their "floating" work day. Many have expressed that they like the flexibility under this model.

Extra-Curriculars

- *As of M Aug 17, all of our Fall Athletic teams will be practicing. Please watch for announcements on Facebook or follow the complete schedule on rSchool (http://www.capitolconferencesouth.org/g5-bin/client.cgi?G5genie=487&school_id=5)
- *The dedicated soccer field is taking shape! The lights are in, the grass is growing, the scoreboard, player benches, goal backstops and sound system are set to be installed shortly. Please plan on attending one of the many home soccer matches to see for yourself. The last item to complete would be the bleacher area-- Findorff Construction will be donating time and materials to construct the pad for bleacher seating. We would like to thank the Soccer Booster Group for their support!
- *CHS would like to thank the Randy and Dale for their leadership in preparing our sports venues!
- *When school begins, our clubs and organizations will be recruiting new members. We encourage students to get involved. There is much research to support student involvement/engagement/success. Here are few...

C&I

- *The annual Tech Academy was held last week. Over 20 teachers participated in this PD offering. They learned many Google tricks and will be applying what they learned into their classrooms this Fall. Thanks to Steve Andersen for organizing this event.
- *ReadyGEN training was held earlier this month. CES staff were able to look, listen and learn from a certified trainer. A follow up training will be held during our inservice week. We will launch on Sept. 1.
- *PE at NMS will be using bikes this year! The district is moving its PE curriculum forward and will begin biking units at NMS this fall. Beka Johnson has experience with biking and will utilize the resources around Cambridge to enhance the PE program. It's our goal to expand biking in our schools over the next several years.
- *Many curricular projects were worked on during the summer and the results/products are being shared with administration upon their return to work. The key areas were ELA Writing scope/sequence, PBIS efforts in all three buildings, pupil service mapping and many more.

Please let me know if you have any questions. Thanks!
