

About Me

Greetings! I am Mrs. Tucker! I have been the proud principal of Steed Elementary for 5 years. I love being a Charger. Once a Charger, always a Charger. My husband of 15 years, DeMond Tucker, attended Steed Kindergarten through 6th grade. We have three awesome children; two girls and a boy! As the leader of learning in our building, I strive to create an environment where children learn, grow and excel to their full potential. The body achieves what the mind believes, so we want all of our students to realize they have the power to succeed!

Interesting Fact about Me

I built computer disk drives at Seagate Technologies when I was in college. I had to wear a suit that covered my body from head to toe, and then take an air shower before entering the "Clean Room" to build the disk drives.
