

REPORT CARDS

Report cards are distributed every nine weeks. A child is graded against grade level objectives. Letter grades of A, B, C, D, and F reflect the child's performance against grade level requirements. Students may be retained if they do not pass basic skill objectives at their grade level. If there are any questions about your child's report card, please contact his/her teacher immediately.

Students will receive progress reports the fifth (5th) week of each nine (9) week period.
