

EMERGENCY LEAVE (REGULATIONS)

The Amber-Pocasset Board of Education shall provide not more than two (2) days each year for emergency leave for certified employees. These days shall not be chargeable to sick leave and will be noncumulative. The term emergency should be defined as a situation or occurrence of a serious nature, developing suddenly and unexpectedly demanding immediate attention. Emergency leave shall be granted at the discretion of the principal or designee. Emergency leave shall be granted with a salary deduction at the rate paid a substitute teacher.

The board of education may grant leave with pay not to exceed fifteen (15) working days to an employee who is affected by a presidentially declared national disaster in Oklahoma after May 1, 1999, if:

1. The employee suffered a physical injury as a result of the disaster;
2. A relative or household member of the employee suffered a physical injury or died as a result of the disaster; or
3. The domicile of the employee or the domicile of a relative of the employee was damaged or destroyed as a result of the disaster.
