Schoology Overview

- ✓ Schoology: What is it and the Why do we use it?
- ✓ Creating an Account
- ✓ Layout
- ✓ Courses vs. Groups
- ✓ Calendar
- ✓ Updates
- ✓ The App
- ✓ Notifications

What is Schoology?

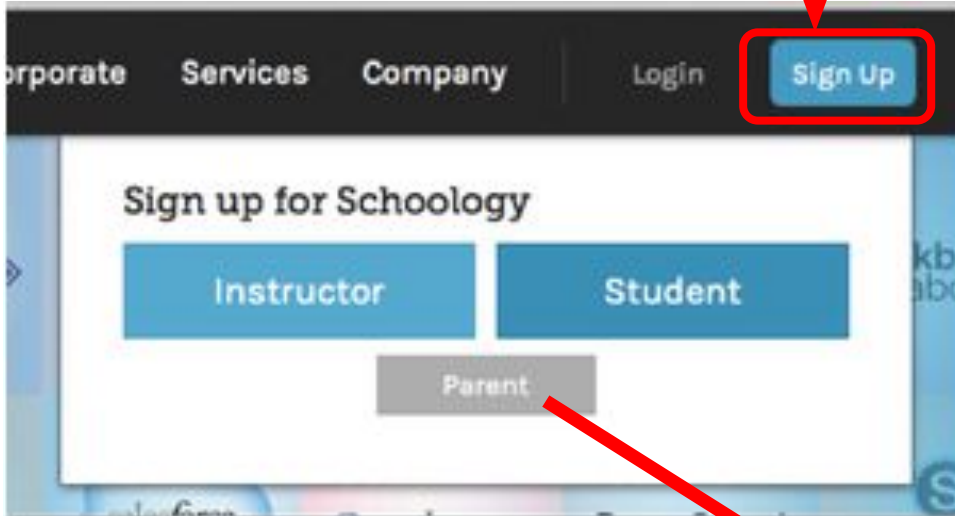

- ✓ Schoology is an online course management system that increases access to academics and removes barriers to learning.
- ✓ It is used for K – 12, higher education, and even the corporate business training

Why Schoology?

- ✓ It creates an engaging and interactive online course environment that is easy to maintain and keeps pace with today's students – digital natives.
- ✓ It provides college-readiness skills
- ✓ It creates another opportunity for teachers to differentiate content and activities
- ✓ It helps streamline communication and further centralizes resources for students and parents
- ✓ It fosters responsibility and ownership in students

Creating an Account

Go to www.schoology.com

Parent Access Codes:

- Can also be found in your HAC account in the Registration tab

A screenshot of the 'Sign up for Schoology' form. The 'Access Code' input field is highlighted with a red rectangular box. A red arrow points from the 'Parent' button in the previous screenshot to this field. Below the input field is the text 'Enter the access code provided by your child's instructor' and a blue 'Continue' button. A 'Back' link is visible in the top right corner of the form.

Logging into Schoology: Students

Students can access Schoology through their MyHumble login.

This takes the students to www.humble.schoology.com

Sign in to Schoology

All fields are required

Email or Username

Password

Humble ISD Humble, TX

Log in

Notice, on a student login, it should say Humble ISD.

Students use their new district username: first three letters of first name + first three letters of last name + last four of student ID. Their password should be their initials + student ID.

How do I use the class code to post on your page? Also what programming languages will you teach? I dislike HTML and CSS personally but I want to learn python and javascript. The last thing is the club

Downloading the App

(You must create / have a Schoology account first)

Schoology also has a convenient mobile app that can be downloaded and used on mobile phones, tablets, and iPads! This app can be found in the [Google Play](#) and [iTunes](#) stores.

App: Parent Directions

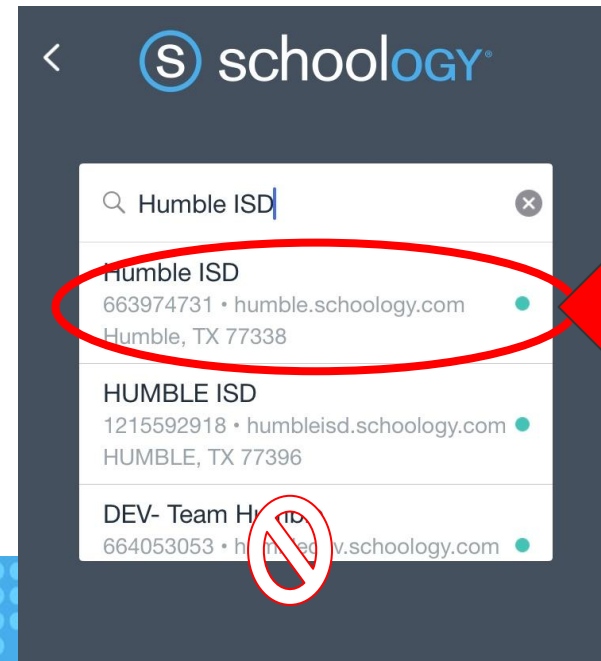

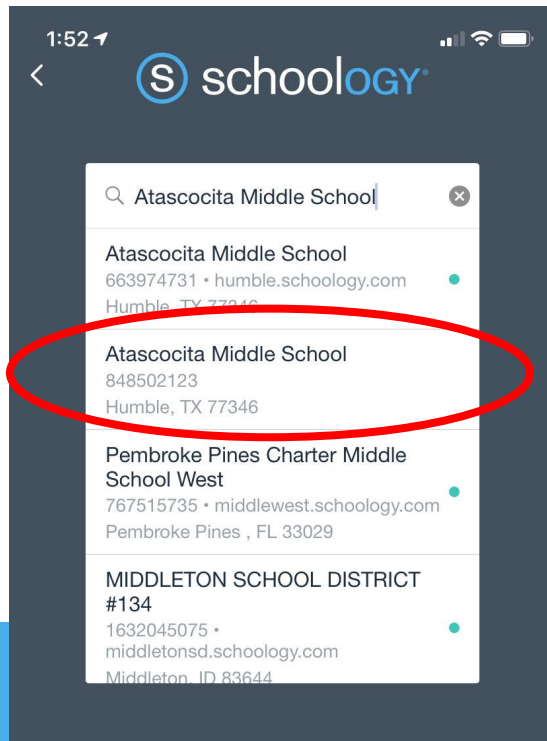

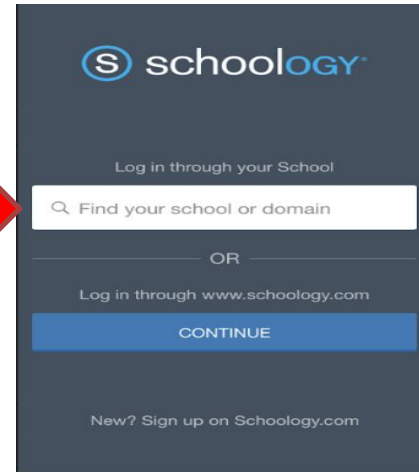

Parents do not select a school, instead will choose continue and login with their normal credentials.

App: Student Directions

Students need to select the school.

Select either Atascocita Middle School or Humble ISD
